

HORNE & WARD, - - 41 FIFTH AVENUE.

ON SATURDAY, JANUARY 3, 1891,

OUR GREAT ANNUAL JANUARY CLEARANCE SALE WILL BEGIN.

WE WILL HAVE BARGAINS IN EVERY DEPARTMENT OF OUR STORE.

The first important line to which we direct the attention of the LADIES IS THAT OF MUSLIN AND CAMBRIC UNDERWEAR. We will place on the counter immediately under the skylight, the place where the ribbons are usually kept, ALL THE BALANCE OF OUR LAST SEASON'S STOCK OF LADIES' MUSLIN AND CAMBRIC UNDERGARMENTS, which we will CLOSE OUT AT GREATLY REDUCED PRICES. In connection with this we will also begin our REGULAR ANNUAL GREAT JANUARY SALE OF NEW GOODS IN LADIES' MUSLIN AND CAMBRIC UNDERGARMENTS which we have just received. This Annual Sale has become a regular and established affair in our business, and we make this announcement in order that the attention of our customers may be called to it, and that they may be prepared to avail themselves of this opportunity to do as they have done in former years—purchase their stock of Muslin and Cambric Underwear for the coming Spring and Summer Wear. The standard of quality, make-up and general finish of our line of Muslin Underwear has always been known in the past to be of the very highest order, and every effort has been made to have the goods which we place on sale this January improved in every particular, wherein it has been possible to make improvements. We desire to call special attention to the styles of Embroidery and Laces used in the Trimming of our Undergarments, as they are of finer quality and neater patterns than are usually to be found in made Underwear. Many of the goods are finished very plainly with Fine Tuckings and Hemstitching. In order that you may get a better idea of what we have to offer, we bring to your attention a number of cuts with the stock number, description and prices of the goods. If it is not convenient for you to attend this sale, you can send in your orders by mail or messenger, giving the number and the price of the garments you want, and get the same goods as though you were here to select them. The display of goods up to \$1 and \$1.25 will be made on the center counter under the skylight where the ribbons are usually kept. The finer and higher priced goods will be shown at the regular Muslin Underwear stock in the rear part of the store. We also desire to mention a fact which is of importance to a number of our patrons, that we make a specialty of undergarments in extra large sizes, so that we are prepared to accommodate all our customers from the smallest to the largest.
