LIVE NEWS FROM THE THREE STATES

INFECTAL TRUEGRAM TO THE DISPATCELY PHILLIPSBURG, CENTER COUNTY, Jan. 12.-Those who are outside of the mining circle would have no conception that anything of a momentous character is going on within it. The great excitement that prevailed on January 1 has to a large extent subsided, and men and operators are taking a more sober view of the situation. Circulars have been sent for the second time to the checkweighmen, who are called upon to get the men together at the banks to ascertain by ballot vote:

"Are you in favor of an advance of 5 cents a ton in the mining scale?" Also, "if your demand is refused are you in favor of acting in conjunction with District No. 2 in going into arbitration conference to settle the dis-

A conference of operators and miners has been called for January 22 for the purpose of arbitration. W. H. Dill, Esq., has promised to be present at that date, but it is thought the death of his brother may necessitate a change of date.

FARMERS IN POLITICS.

Ohio Grangers Make a Number of Demand Upon the Legislature.

ISPECIAL TELEGRAM TO THE DISPATCH. NEWARK, Jan. 12.-That the farmers of this ounty intend to take an active interest in polities hereafter was fully shown at a meeting here Saturday. Over 300 farmers assembled in the hall, mainly representing the Farmers' Union-Grange and Alliance. They adopted a resolution demanding the expenditure of more money for the improvement of the public roads; condemned the reckless and unnecessary expenditure of money in the management and erection of public buildings; that taxes be reerection of public buildings; that taxes be reduced; salaries of the county officers be reduced; the fee system abolished, and more
senonomy used in the running of the courts.

This last item brought forth a great deal of
discussion, during which it was shown that the
prevailing sentiment is that the officials should
have a fair salary fixed by law, and the Legislature is called upon to pass such a law. A committee was appointed to circulate a petition,
and have the same presented to the Legislature, for the passage of a law fixing the legal
rate of interest at 5 per cent, and make the
penalty for attempting to get more a loss of
both principal and interest. The farmers are
organizing in every precinct, and say they will
be heard from at the next election.

NATURAL GAS MAINS.

They Will Be Used for an Artificial Supply When Needed. SPECIAL TELEGRAM TO THE DISPATCH.

McKEESPORT, Jan. 12.—It is stated here that the thousands of dollars' worth of gas lines that have been put down for natural gas will not be wasted, but that the companies will make contracts with the artificial gas makers when the natural product fails entirely. Natural gas has been so scarce here for the past month that the people who did use it were obliged to throw coal in on top while many have dis-

throw coal in on carried it altogether.

If a permanent supp. Jos natural gas can be secured by the company this winter, then they will drop the matter, but it is stated they will build an artificial plant in the spring if their supply gives out.

THREE ROBBER BROTHERS,

How They Got Away With a Library and a Number of Rifles.

SPECIAL TELEGRAM TO THE DISPATCH. SCRANTON, Jan. 12.-The arrest by the police of three brothers named McCafferty has brought to light a number of daring burglaries committed in this city during the past year. The brothers, by very clever methods, which they have not revealed, were very exceedingly successful. Among other things they managed to carry away an entire library from a house which was left unoccupied by the temporary which was left unoccupied by the temporary absence of the master. They also entered the range house of the Thirteenth Regiment and secured a number of rifes and 1,500 rounds of amountation, the property of the State.

Workmen at their toil at the shops were not even safe from the criminals, their tools and valuables being taken. A hovel in which the brothers lived was like a curjosity shop, so full was it of plunder of variods kinds. The thieves have confessed, and to-day guided the chief of police and two sergeants to the mountains where the stolen rifles were concealed.

MACQUEARY WILL RESIGN,

No Matter What Verdict the Ecclesiastical Court May Render.

receipt of a verdict in his trial, no matter what the verdict might be.

In speaking of the condition of the parish, he said it was not due to his so-called heresy, but to a want of unity among the people; a want of love for Christ and His church; a want of loyalty to a minister, and not entirely to his own shortcomings. He denied that he had ever been viudictive, and said he forgave all who had ever attacked him in any way.

Steve Alvetter Has His Face Cut Open and Will Lose an Eye.

Nick Mafia, residing in the rear of No. 108 Wylie avenue, last evening invited Steve Alvetter, an acquaintance who resides out of town and had come here on a visit, to go to his house and drink some beer with him. Alvetter went, and during the course of the beer-drinking a quarrel arose. It resulted in Mafia striking alvetter in the face with a beer glass cutting a terrible gash beneath one eye. Alvetter was taken to the office or Dr. Gough on Grant street, where the wound was dressed. It required 11 stitches to sew up the wound and the eye will probably be destroyed.

The police were notified of the affair, and Detective Coulson, Lieutenant Wagner and Officer McCaffrey went to the house of Mafia. They arrested Mafia and Charles Binnella, a witness, and locked them up in Central station. Alvetter was taken in charge by his friends. house and drink some beer with him. Alvetter
