NEW ADVERTISEMENTS.

AWFUL ITCHING SKIN. Suffering Terrible—Could Not Scratch Enough—Tried Every Medicine and Many Doctors.

Nothing Helped Her—Gave Up Hope—Heard of Cuticura—Used Them and Is Speedily Cured.

For years I have suffered with a terrible itching, especially on my feet, that I thought I would scratch the very flesh from them. I used every thing there was in patent medicine and when my physician gave me, in fact, I had a physician from New York, but nothing helped me. Later I began to have a fearful hand covered with something that resembled fish scales, and I was so itched, but intense pain, I was utterly disgusted, believed in no medicine, and gave it up as being incurable, when a friend of mine told me of the CUTICURA REMEDY, which I said I would try for the last thing. I wrote for one of your pamphlets, received it, read it, and bought a box of CUTICURA, a cake of CUTICURA SOAP, and a bottle of CUTICURA RESOLVENT, and I give these three my most hearty thanks, for I am now a lady of fifty-five years, and am as healthy and strong as I ever was, and I have told my friends. I would not be without the RESOLVENT or SOAP if it cost one dollar a cake. I have told my friends. Many of them have used the remedy, and they have always proved to be faithful in curing. Mrs. C. LOTT, Greigstown, Somerset Co., N. J.
