## DESTIBUTION IN ALLEGHENY.

#### Two Families Actually Starving in the Town Across the River.

Four years ago William Green came to Allegheny and left a wife and seven children in England. Soon after they followed him, and the poor authorities of New York gave them transportation to Pitusburg, where the family was again joined, and in the past two years two more added to the number. Yesterday Hu-mane Agent Berryman was called to see them, at their home on Shady avenue, Eleventh seven weeks ago, and the family were actually given her a dollar on Wednesday the two younger babes would not have been living yes-the deaths were those of infants under 1 year

younger babes would not have been living yes-terday. Agent Berryman gave them some nomey out of his own pocket and then put the case in the hands of Major Hunker. Another case of oven worse destilution was found at the home of Christ Attwalter, on liumboidt street. Allegheny. The father has one eve knocked out and is so badly injured that he has not been able to work for a year. His wite, a little German woman, has struggled to provide for here-elf and her four little chil-dren, but last week sho had a stroke of paralysis. There was absolutely nothing to eat in the house, or rother in the two rooms which they occupied. Eoth the father and mother were befores. Agent Berryman says be never say such fits and mosery in all his experience. The children did not even have shoes or stocking. The parents will be placed in the Wikinsburg Hene and the children will be placed in the orphans. House on Washington street, Alle gheny.

is all right at other times. Street gamins sang the song so much in front of her house that at the advice of her physician she moved to another neighborhood, and was cured, until one day she heard a rag-man humming the refrain and was immediately 13ken with another fit.

#### Scat Back to Old Kentucky.

Mrs. Mary Bradford and her boy, the Kentucky "crackers" who tramped to Pittsburg to find relatives, were unsuccessful in their search. and were yesterday given passes to Wheeling by the Department of Charities. From there they will be sent to their home in Ford coun-ty, Ky.

## STILL SOME GOOD BARGAINS On Hand in Second Hand Pianos and

Organs.

We have three or four square pianos and four or five upright pianos still left that are great bargains. Some of them have never had a day's use, but have been recalled from our agencies and will be sold at second-hand prices to close them out before February 1. We give in a nice outfit and warrant them the same as new pianos. Come in and see them while the chance remains, at S. Hamilton's, 91 and 93 Fifth avenue.

## DEATHS OF A WEEK.

### The Number One-Third Less Than the Preceding Seven Days.

The mortuary report for the week ending January 17 shows a total of 77, as compared at their home on Shady avenue, Eleventh ward, Allegheny.
