

SIGNS OF A REVIVAL. The West the Solid Commercial Rock During the Eastern Financial Upheavals.

THE EAST REGAINS CONFIDENCE. Fears of Labor Troubles in the Spring a Cloud on the Horizon of the Coal Mining Industry.

IRON ACTIVE AND GLASS DULL HERE. Reports of the State of Trade of All the Leading Cities of the United States.

SPECIAL TELEGRAM TO THE DISPATCH. NEW YORK, Jan. 23.—Special telegrams throughout the United States show some signs of revival due to a normal spring demand for drygoods and groceries, and at some points of distribution, hats and caps as well.

The industrial situation is only fair, with a prospect of some disturbance in the spring, if the coal mining organizations all demand an eight-hour day to go into effect May 1, as appears likely.

Ohio and Alabama iron furnaces are not blown in again, yet pig iron is as dull and weak as heretofore. Anthracite coal is weaker, the demand being less active than expected.

Uncertain about silver currency legislation has brought about a marked dullness in the share market.

Doubts of the Railroad Agreement. Investors and speculators are unwilling to invest, and prices are almost stationary on a very limited transaction.

Doubts regarding the success of the new Western railroad organization also have some effect. A fair demand for bonds is shown.

At Boston there is some activity among jobbers in drygoods, as at New York and Philadelphia. Demand for yarns has gained. Wool is barely steady.

Cottons are firm. Some makes of bleached and 3/8s higher. Print cloths are firmer. Free crop movement depresses cotton 3/8.

At Cincinnati there is a fair movement of general merchandise, as there is at Memphis, Chicago and St. Louis. The spring demand for textiles is below expectations, except at Philadelphia, Chicago and Boston.

Collectors are somewhat difficult. The general tendency of money throughout the country is toward greater ease, but mercantile collections are not, as a rule, satisfactory.

Business failures reported to the Dispatch from the United States this week, against 386 last week, and 424 the week before.

Bank Clearings 50th on the Increase. Bank clearings at 55 cities in the United States for the week ended January 22 are \$1,145,779,150, an increase over this week last year of 2.2 per cent.

R. G. Dun & Co.'s weekly index says: It has been noteworthy throughout recent financial troubles that Western centers of trade have been comparatively free from disturbance or apprehension, and now the energy and growth of the West have their effect in larger trade and stronger confidence in Eastern centers.

Chicago is in the most striking way, a little closer and collections slower, but a fair trade and confident feeling, while at Detroit money is easier 7 per cent and business conservative in tone.

The State of Trade in the South. Turning to the South, we find improving business at New Orleans, fair receipts of cotton and a strong market for sugar, with ample supplies of money.

At Louisville, trade opens well and the monetary situation improves. At Jacksonville good trade is noted, and at Baltimore, manufacturers and jobbers are well ahead of last year, and there is a large increase in the shoe, leather and hild business.

At Pittsburgh somewhat more activity is seen in iron, though glass is rather dull and some factories temporarily closed. The iron trade is stiffened by the decrease in production.

The demand for bar does not improve, however. Orders for plates are somewhat scarce, and trade in structural iron is only about fair, but in pipes excellent. The coal trade is comparatively quiet.

Farmer Products Higher and Lower. The market for breadstuffs has been stronger, and wheat has advanced a quarter, corn one cent and oats three-quarters, while soy beans and clover are lower.

There is no material change in the volume of money in circulation, though the Treasury has put out \$300,000 more of money than it has in, and has issued in addition \$500,000 more silver notes.

The Baltimore and Ohio Railroad will announce to the Cincinnati, O., at rate \$1.20 for the round trip. Tickets for return passage until February 3, 1891, inclusive.

A CHECK SHOWER'S HARD LUCK.

Enough Indictments Against Him to Keep Him in Prison Till He Dies. JOLLET, ILL., Jan. 23.—A Rochester detective left this city last night with the notorious check shaver, Charles Herbert, alias Theodore Miestermann, alias Carl Hebert. Hebert was sent up from Peoria for grand larceny for one year, and his term expired yesterday.

WRINDING UP MILITARY OPERATIONS.

Movements of Troops and Indian Police at Pine Ridge Agency. PINE RIDGE, S. D., Jan. 23.—In accordance with amended orders issued to-day regarding the departure of troops, two troops of the Eighth Cavalry marched to Fort Meade. The Seventh Cavalry, and also Capron's battery, started for Rushville, and will finish the march in two days, when they will be joined by the sick and wounded, who will be moved to-night.

AN ACCESSORY TO A SUICIDE.

A Spiritualistic Medium Arrested for the Ruin He Wrought. BROCKTON, MASS., Jan. 23.—Edith Anderson, the second oldest daughter of the Anderson family, died last night from the effects of morphia administered by the mother yesterday. On the other two children are in a precarious condition. The mother was expected to die at any time.

This morning Mr. George, the spiritualistic medium who told Mrs. Anderson that her husband was unfaithful to her, which information caused the tragedy, was arrested. A police officer in the complaint, the complainant alleges that on January 2 the defendant was an accessory before the fact in committing the crime of suicide.

Mr. Smith never allows his orders to push him very hard. He promptly increases his facilities, invites work and his well filled order files cheer him on. He knows how to advertise judiciously.

Pottery and glass manufacturer's catalogues, and fine book and cut work, and in fact everything from a three-sheet illuminated poster to a visiting card may be obtained at Mr. Smith's establishment promptly and at reasonable rates.

Because Mr. Smith is always busy is no reason why you should not leave orders with him. If he has not facilities to promptly serve you he will provide them, just as he has done in the past two years to a greater extent than all the printers of Pittsburgh combined.

Mr. Smith believes in addressing the public when he is busy. Too many merchants wait to advertise until business gets dull, and then there is another wait till merchants "catch on."

How BABIES SUFFER

When their tender SKINS are literally ON FIRE with ITCHING AND BURNING ECZEMAS and other Itching, Scaly, and Blotchy Skin and Scalp Diseases, none but mothers realize. To know that a single application of the Cuticura Remedies will, in the great majority of cases, afford instant and complete relief, permit rest and sleep, and point to a permanent and economical (because so speedy) cure, and not to use them without a moment's delay, is to be guilty of positive inhumanity.

CUTICURA

Remedies are the greatest skin cures, blood purifiers, and humor remedies, are absolutely pure, and may be used from infancy to age, from pimples to scrofula, with the most gratifying and unflinching success. TREATMENT.—CUTICURA, the great skin cure, and CUTICURA SOAP, an exquisite skin purifier and beautifier, externally, instantly allay the most intense itching, burning, and inflammation, soothe and heal raw and irritated surfaces, clear the skin and scalp of crusts and scales, and restore the hair, while CUTICURA RESOLVENT, the new blood and skin purifier and greatest of humor remedies, cleanses the blood of all impurities and poisonous elements, and thus removes the cause.

Facial Blemishes, pimples, blackheads, red, rough, and oily skin and hands, and simple humors and skin blemishes of infancy and childhood are prevented and cured by that most effective of all Skin Purifiers and Beautifiers, the celebrated Cuticura Soap. Incomparably superior to all other skin and complexion soaps, while rivaling in delicacy and purity the most expensive toilet and nursery soaps.

A GRAND SUCCESS!

THE immense success of our great Muslim Underwear Sale has prompted other dealers to copy after us—copy everything but the prices, and these we know they can't duplicate. Our special sale of underwear continues all this week. Ask anyone who has visited this department during the past few days and they'll tell you of the wonderful bargains offered. So large was the demand for these goods that a few of the leading styles were closed out. These were promptly replaced at the same low prices, and to-day there's nothing worth having in Muslim underwear that isn't displayed on these counters.

Having had a highly successful sale of white goods, we can offer an absolutely new stock of plain, plaid and fancy goods, as well as hemstitched. The latest novelties are shown in fast black goods. A large variety to choose from at prices that will move them quickly.

How ARE THESE PRICES?

In millinery trimmings we have pleasing surprises for the ladies. The balance of our colored amuse silk, the best quality used in our trimming department, will be closed out immediately at \$1; regular price \$1.35. Thousands of birds that were 25c, now 10c. 50c birds reduced to 25c. 1st birds now 50c. Wings that were 75c are now selling at 25c. Wings marked \$1 and \$2, going at 50c. Come at once if you want to share in these unheard of bargains.

CUT TO PIECES!

It's a fact that in our Cloak Department prices are away below what the goods actually cost us. Jackets, Newmarkets, Fur-Trimmed Coats, Plush Jackets, Plush Scaques—in short winter garments of all kinds are being disposed of at half price and less. We have 450 Misses' Reefers and Gretchen's that will be sold at once for much less than the material alone could be purchased. Our Cloak Department must be cleaned out at once, and we have taken the sure way to do it.
