Mine Operators Stocking Their Customers With Coke, and

LOOKING FOR A LONG STRUGGLE.

A Heroine's Labors With a Typhoid-Stricken Family in Ohio.

WHAT OHIO ALLIANCE MEN DEMAND

SPECIAL TELEGRAM TO THE DISPATCH.

SCOTTDALE, Jan. 27.—Decisive steps were taken by the United Mine Workers to-day toward ascertaining the feelings of the coke operators in regard to the formation of a new wage agreement for the ensuing year. That the operators will demand for an advance is shown by their every move. Most of the coke plants will be operated for six days this week, which is something unusual since the present depression set in. The object seems to be to stock the consumers with coke, so that the operators will be able to stand a several months' strike. The following notice was mailed to-day to every coke operator in the Connellsville region by Secretary Tackett: "In accordance with a resolution of District 4, N. T. A. 133, United Mine Workers of America, in convention assembled, you are hereby notified that if you desire a conference with the scale committee of this body you shall ask for the same on or before February 10, all operations are further commanded to state that if no settlement is effected before February 10, all operations will be suspended until such settlement is made. All communications from operators on this subject should be sent to the district office. The reason for this notifying you is that the committee will be otherwise engaged for a time after the above mentioned date. Labor officials are still holding meetings in order to get their men in good mood."

A BUCKEYE HEROINE.

She Is Nurse, Doctor and Minister to a Typhoid-Stricken Family.

SPECIAL TELEGRAM TO THE DISPATCH.

EAST LIVERPOOL, O., Jan. 27.—A story comes from Wayne county that all of the family of M. A. Williams, consisting of the father and seven children, are all but two down with typhoid fever. The neighbors are afraid of it and hold aloof, with the result that the people are badly neglected. Miss Alice Fraser, of the Scotch settlement, heard of their need, hastened to their relief, and has nursed them with her own hands. One of the children died at the point of death, while the others are now recovering. Williams also died. Mrs. Williams is the only one who is still sick. She is a nurse, doctor and minister all in one. Neighbors are leery in their prayers, but will not assist the little woman.

AN OVERCROWDED LABOR MARKET.

A Pittsburgh Firm Sends Out 2,500 More Italians Than Are Needed.

SPECIAL TELEGRAM TO THE DISPATCH.

BELLAVILLE, O., Jan. 27.—One of the large contracting firms of this place, at present engaged in working on the Erie and Erie extension, sent an order to a Pittsburgh firm for a lot of Italian laborers. The order was for a small number, but the firm in Pittsburgh evidently misunderstood the order, for they shipped 2,500 instead of the 200 intended. The men had hard work making any one understand their situation. They had no money, no place to go and nothing to eat. Finally an interpreter telegraphed to the Italian Minister at Washington to ask if there were not some relief for the men who are in a bad way.

MARKETS FAVORABLY AFFECTED.

The Result in the West of Shutting Down Furnaces in Ohio.

SPECIAL TELEGRAM TO THE DISPATCH.

YOUNGSTOWN, Jan. 27.—J. G. Butler, Jr., a prominent iron manufacturer, to-day returned from a trip to Toledo and Milwaukee, and stated that observation and inquiry convinced him that the shut-down of the furnaces is already having a favorable effect upon the market. As yet no contracts are being made by furnaces, for the supply of ore for the coming year. The best of the market is that lower prices than those of last year will prevail. A brisk demand has sprung up for the pig iron, and the Western mills are stocking up for better prices than those at present.

A WELL-SOAKED FLOATER.

A Corps Dragg'd From the Water, Where It Had Been Several Weeks.

SPECIAL TELEGRAM TO THE DISPATCH.

BEAVER FALLS, Jan. 27.—At noon to-day a little boy gathering worms on the New Brighton bank of the Beaver river, near the Third street bridge, discovered the partially submerged body of a man lying on a log about 100 feet from the shore. The coroner was notified, and in the meantime a policeman waded out, placed a rope around the body and dragged it to shore. It was the body of an unknown man, aged about 35 years, and has evidently been in the water several weeks. There is evidence of foul play as the nose is smashed in and all the teeth knocked out. The man was evidently not a tramp.

THE ALLIANCE AND TAXATION.

Farmer's Hold Meetings in Many Parts of Ohio to Consider Legislation.

LIMA, Jan. 27.—Members of the Farmers' Alliance of this city, thirty-second Senatorial district, met here to-day for the purpose of adopting resolutions for a revision of the tax law in order to get an equal taxation and revision of salaries of county and State officials. The Alliance is holding meetings in every district in the State to-day for the same purpose, and the resolutions will be sent to the Governor asking his support of such a bill. There are about 300 farmers in attendance here.

HEAVY COAL TRAFFIC.

It Makes Necessary Miles of New Siding and Other Improvements.

SPECIAL TELEGRAM TO THE DISPATCH.

BEAVER FALLS, Jan. 27.—The entire shipment of all the coal over the Huntington and Broad Top Railroad mined in the West Virginia coal regions has taxed the capacity of the road to such an extent that miles of new siding will have to be built. This is one of many improvements the company have found necessary in order to handle the immense business the road is doing.

Who Edgar Thompson Works to Shut Down.

SPECIAL TELEGRAM TO THE DISPATCH.

BEAVER FALLS, Jan. 27.—The Edgar Thompson Steel Works will close down next week. All the laborers in both the mill and furnace will be kept at work during the few weeks' time necessary to make repairs.

Crushed Under His Own Wagon.

SPECIAL TELEGRAM TO THE DISPATCH.

YOUNGSTOWN, Jan. 27.—Adam Ross, employed as a driver at the Elmira Rolling Mill in Niles, while leading his wagon today, fell under the wheels, and the team starting up, he was crushed to death.

Will See the Philadelphia Company.

SPECIAL TELEGRAM TO THE DISPATCH.

BEAVER FALLS, Jan. 27.—It is understood that at the next meeting of the Borough Council the solicitor will be instructed to bring suit against the Philadelphia Gas Company for violation of contract.

Tri-State Briefs.

The Excelsior Machine Works, of Findlay, has been closed by the Sheriff. A GREENSBURG miner, Thomas McLean, was fatally injured by a fall at a shaft. The new Cottage State Hospital for miners were formally opened at Connellsville yesterday. Two Connellsville boys, each under 15 years of age, have been arrested for robbing railroad cars. ANOTHER entrance, deeper than any since the fire, was made into the Hill Farm mine Monday. NATURAL gas pressure caused the burning of the brick works at Dunbar yesterday. LEO C. HENRY, a prominent farmer of Beach City, near Mansfield, forged a note for \$1,000 and absconded. He is also a defaulter for \$800. RICHARDSON Colonel S. H. Church, formerly of Columbus, but now of Pittsburgh, died a pe-

tion in the Circuit Court at Columbus, asking that the decree of the Lower Court, concerning the custody of his children, be set aside. Yesterday the Court rendered its decision sustaining the decree of the Common Pleas Court. The Court was of the opinion that a divorce should not have been granted in the first place. SATURDAY last, Harry Holman, aged 19, was tried and convicted of burglary at Martinsburg, W. Va. He was sentenced to one year in the penitentiary. The boy was taken from the court room and as he reached the Sheriff's room, a woman made a murderous attack upon the officer, and attempted to escape. He was recaptured, after a struggle, handcuffed, brought back into court, and sentenced to five years in the penitentiary.

LATE NEWS IN BRIEF.

—An avalanche at Florence, Italy, killed 19 persons and destroyed many houses. —The barred wire combine will purchase Washburn & Moen's patents for \$400,000. —A strike at the great Clark Works mills, Newark, N. J., is still on, with no sign of yielding on the part of either the company or employees. —By an explosion of gas in the cellar of the dwelling occupied by Isaac B. Conover at 225 Lexington avenue, New York, five people were badly hurt. —John Healers, township Treasurer at Anchester, Ont., was shot and killed about 3 o'clock yesterday morning by burglars who afterward ransacked the house. —The young man who committed suicide by jumping over Niagara Falls Sunday evening has been identified as Karl Stevens, of No. 88 Whitney place, Buffalo. —The Southern Steel Company, at Chattanooga, has served notice on their employees of a reduction in wages of 10 per cent after the first of next month. The men claim that they were imported from England under contract, and threaten criminal prosecution in the case the proposed reduction is enforced. —While skating on a pond in Milwaukee, Monday night, Freddie Haebrath and August Fryer, both aged 12 years, were seized by three older boys who said they wanted to "make niggers of them." After a fire had been lighted on their faces, the boys were seized by the flames until the flesh rolled off and both lost their lives. —The Union Cavalry conveying the Seventeenth Cavalry from the scene of the Mesasid Indian war collided with an express train at Irving, Kan., Monday night. Two soldiers and one brakeman were killed and a dozen were wounded. The conductor of the military train, who is missing, ran on time next his own. Cavalry horses were killed. —Perry Byam, "the youngest soldier of the Rebellion," and Henry Hart, were arrested in Chicago Monday night, on a charge of swindling. It is estimated that the operations of the men have netted them close to \$20,000. Byam bought a tract of land in East Chicago, paid a small amount on it and secured an abstract of title and began to advertise desirable lots for sale. Hart was the negotiator of the sales, or rather, the promoter. The two men were in the way of swapping these lots for saloons, grocery stores, etc. As soon as these properties were secured, they were mortgaged and the business allowed to run itself. It was the proceeds of the mortgages that the money was made.

HEBREW HIGHBINDERS.

A Russian Peddler in Peril of His Life From His Countrymen. DEBUQUE, Ia., Jan. 27.—Joseph Kahn, a Russian Hebrew peddler, appeared before Justice Cooney and swore out warrants for the arrest of Mendel Ginsberg and Gregory Blumenthal, two of his countrymen, charging them with conspiracy to kill him. He says there exists among the Russian Hebrews, of whom there are about 300 in this city, a society similar to the Chinese Highbinders, and it is sworn to remove any one who may injure one of its members. A lawsuit between Russian Hebrews recently occurred here, and Kahn's testimony was against the men who he claims are now conspiring to kill him. Blumenthal and Ginsberg were arrested last night. Kahn also states that they are charged with him with mutilating the Bible, and that this offense is always punishable with death in Russia. Kahn, who is very ignorant, hired two men to guard his house last Saturday and Sunday, and goes armed to the teeth.

NEGROES SWINDLED AGAIN.

One of Their Own Color Works Up an Oklahoma Scheme. BIRMINGHAM, Ala., Jan. 27.—A big exodus of negroes from this State to Oklahoma has set in. Fifty families of negroes left here yesterday for Kingfisher, and they will be followed in a few days by 200 families. A negro by the name of Easter, from Leavenworth, has been among the negroes here some time working up the business. He represents to them that they can secure rich farming lands in Oklahoma for almost nothing, and that if enough of them will go they can secure absolute control of the government of the Territory. The latter document seems to be the principal inducement. A number of negroes who owned good farms here have sold out everything and will join in the exodus. SLEEPLESS nights made miserable by that terrible cough, Shillol's Cure is the remedy for you. Sold by J. Fleming & Son, 417 Market st.

NEXT Sunday THE DISPATCH will be...

For the Children.

Chamberlain's Cough Remedy is a great favorite with mothers for their children, as many of them have learned from long experience in the use of it that it is reliable. It promptly cures their children of coughs and colds, prevents them from having the croup, or cures them of croup. They have also found that there is no danger in giving it even in large doses, and that it is pleasant for them to take.

The Soldier That Lay Dying.

The popular poem is authority for the statement that a soldier of the legion lay dying at Algiers. The chances are that the poem is correct, but it is quite probable that even with the "lack of patient nursing and the dearth of woman's tears," the soldier would have recovered if he had had a good supply of Marvian's Algiers biscuits, one of the best and most healthful cakes on the market. ja28, 31f63, 7
