The man and woman were finally hauled to the lockup. lesser importance, seemed to be very comfortably fixed, as a pretty boy The lady had plenty of moncy and gave a and a really charming maiden forfeit of \$30 for her appearance this morn-were portraved offering him refreshments. ing. She returned home and a little later the man also got bail. Returning to the Butterflies hovered around his head, and flowers were springing up around him. His Joss-ship had a benevolent countenance, and there was a healthy flush on his face. such house about 8 o'clock he repeated the assault of the alternoon and was again arrested by Detective Lee.

A CROOK'S NEAT STORY.

#### He Pawns His Plunder by Saying He Is a Theatrical Advance Agent.

A \$200 diamond pin, part of the jewelry stolen from No. 111 First avenue, a few days ago, has been recover by Detective Bendel. The thief took it to a pawnshop, where he gave the name of S. Lowenthal, He told a very neat story, saying he was the advance agent of a theatrical company, and was temporarily embarrassed for funds with which to get the baggage from the railroad. The policeman on the beat had sent him to this pawnshop, and he would like to borrow \$60 on the pin. He got it. The man at once left town, carrying with him a diamond bracelet valued at \$600, which he can dispose of at his leisure.

### CANNOT STAND PUBLICITY.

New Jersey Officials to Proceed Against typical of the revivication of the earth. Alleged Benefit Associations.

Henry C. Kelsey, the Secretary of State for New Jersey, has announced that he will proceed against the alleged benefit associations, whose peculiar methods and the apparent fallacy of their plan of operation were described in THE DISPATCH two weeks ago.

Secretary Kelsey says these concerns are violating the laws of the State, and as soon as any one will enter a complaint he will proceed against the officers and agents.

#### PROF. CHARLES SAFE AT HOME.

#### The Missing Phrenologist Turns up Again In Allegheny.

Mrs. Charles, the wife of Prof. Charles, the phrenologist and spiritualist who resides at 72 Poplar street, Allegheny, called again last night at the Allegheny police head-quarters and stated that her husband had returned. She said he refused to say which Quong says, with a twinkle in his the phrenologist and spiritualist who resides whether he had been held a prisoner, but he was in a bad condition. The police claimed that earthly spirits will last a week. In China, where time is

> Little Orn Fayre, the Wonderful Child Pianist, Purchases a Beautiful Upright

The wonderful child pianist, whose playing attracted so much attention at S. Ham-itton's display at the last Expositiou, has purchased a beautiful upright grand Everett piano. This gifted boy, in the face of many difficulties and an unsatisfactory Steinway piano to practice upon, has accomplished wonders. At the age of 11 years he plays Works at Soho, is lying very ill at his the most difficult compositions, with the home. He has not been able to work for skill and taste of a mature artist. Little

thetic quality of tone, combined with great power and durability of these pianos, afford greater scope for artistic interpretation o great musical authors than any other plane now manufactured. With great talent and sibly I hoodoo Jupiter Pluvius, and he

burgers," he said, "in the manufacture of the finer grades of glass and in small glass articles. We make little window glass. With the small things like beads, buttons, etc., the laborers do the work at hou ne. They have a big table, and their wives and children help them. This is how they can turn out their trinkets so cheaply, for they are at a very small expense. For the heavy glass articles factories have been estab-

registered at the Anderson last evening. He

is a Bohemian glass manufacturer traveling

in this country for pleasure and business

"In Bohemia we have two classes of people, the Germans and Slavs. The latter last season. The spectacular features of the are the ones who emigrate to this country entertainment in every detail bear evide large expenditures of money and of having be and give us a bad name. They cultivate devised and put together with great care and skil. Of the specialities recently brought over from Europe by Charles Millor, three at least, will become very popular. First, little Mille Bertoto, a transformation dancer, has never been equaled in this country. Her work is of the highest order of terpsichorie and the rapid-ity of her changes of costume is marvelons. The Marians, French acrobats, of whom there are eight, are as clever as any people of the kind ever seen here, and the seven Mariposa dancers are remarkable graceful, delightfully original and unusually pretty. There will be three matinees, Wednesday, Friday and Satur-day. devised and put together with great care the fields for low wages, and live on potatoes and poor whisky. A traveler passing through the country can tell at a glance whether he is in a German or Slav village. The appearance of the Slavs' town is dirty and squalid, while the Germans' is always noted for its neatness and cleanliness.

TRIALS OF HOTEL CLERKS. Guest Gets Mad Because He Couldn't Get a Bottle of Beer.

"There goes a man who makes me tired." remarked a clerk at one of the leading hotels yesterday. "He got mad because I refused to serve him a bottle of beer on Sunday, and said he would leave the house and go to another hotel where he knew he could get it. Well, let him go, and if he can buy beer at other hotels on Sunday he is wel-

come to it. We don't do business on that basis here. "This is only one of the trials of a hotel clerk. That man knows as well as I do that it is against the law to sell drinks on days and Thursdays are special rent days.

the Sabbath, but because he can't gratify his annetite he blames me for a law which I his appetite he blames me for a law am not responsible for, but which Captain Wishart makes me obey to the letter. I sometimes wonder which is the most unreasonable, man or mule, and verily I be-lieve I would rather handle a kicking lonkey any time than try to please some

people. In this connection it may be said that while strangers in Pittsburg always remark of the large assortments and supebout the Sabbath stillness and the lack of activity, they confess frankly they like to rior values we are offering now in see it and prefer it to the hubbub of Chi-

cago on Sunday. PREPARING FOR THE ELECTIONS.

> tions Made and Primaries to be Held by Both Parties.

The following was the result of the primary election held in Wilkins township Saturday evening: Auditor, J. B. Holland; School Directors, P. W. Boli and James Gilmore; Supervisors, Robert Miller and Israel Plummer; Judge of Election, J. B. Holland; Tax Collector, William Mitchell.

For the latter office William P. Delaney, an old soldier, was defeated by but seven votes, and he says he will run independent.

The Democratic primaries of the Ninth ward will be held to-night at the Ralston school. The contest lies in the selection of two nominees for school directors. There are about 12 candidates who have an-

nonneed themselves thus far. The Republicans of the Seventh ward, Allegheny, will hold a suggestion meeting at the school house to-pight.
