NEW YORK STOCKS. Shares Even Duller Than Before—Changes Are for Practically Higher Figures Exports and Imports of Gold and Silver.

NEW YORK, Feb. 14.—The return of Mr. Gould to the city has not yet been learned, his normal condition of health has stood all influence of the rumors of his serious indisposition, and this together with the tendency of the market to close operators to await the adjournment of Congress before taking any action in a speculative way, intensified the prevailing inactivity.

There were few movements of importance, however, among an advance of 2 1/2 per cent in the market and Western preferred, and 2 per cent in the market and Western preferred, and 2 per cent in the market and Western preferred.
