The Immortal George Washington Held Responsible for the

LACK OF A QUORUM IN COUNCILS.

Chief J. O. Brown Turns in the Report of His Department.

Councils were called yesterday, but did not come. At least, not enough to make a

The brazen clamor of trumpets, the rumble of drums, and above all the radiant hues of the Stars and Stripes as they fluttered in the breeze and flashed a laughing defiance to that welcome stranger, the sun, proved too strong attractions for the city solons. They could not immure themselves in the gloomy Council chambers and listen to ordinances for sewers, street paving and such, and they didn't.

or two members dropped in, but no quorum was in sight when, at 2:40, Mr. Ford instructed Council Clerk Martin to call the roll. The following gentlemen answered to their names: Messrs. Binder, Collins, D. P. Evans, Fitzsimmons, McCurry, Perry and Warren. As this was 11 short of a quorum, President Ford declared the meeting adourned, and the members trooped torth into the sunshine like school boys who had unexpectedly received a holiday.

In the Honor of Washington.

After disposing of Select Council, Clerk Martin rushed over to the Common branch. President Holliday was not there, so J. L. The motion was carried unanimously without waiting for the chairman to put it or bothering in the least with parliamentary rules, and the members hied themselves to the front steps of Municipal Hall, there to ispute with their brethren of Select Counor the best vantage ground from which

to view the parade.

Councils will probably meet agan on Friday afternoon. In the forenoon the Department of Awards will open bids for making alterations in the City Treasurer's office, and will consider the Poor Farm matter, and put it in shape for councilmante action.

This was barely half a quorum passed by any stations in any church in the so-call "Way of the Cross" pictures, for his passed by any stations in any church in the United States, and are said to be the finest oil paintings in the world. They were made new adjourn out of respect to the memory of the immortal George Washington, the anyear to make them. They occupy the entire space of the walls of the

chapel, which is nearly 70 feet long. Hundreds of people are flocking to the new chapel to see the handsome stations.

It was the intention of Father Mollinger to have the pictures put in place, if possi-ble, during the holy time of Lent. The work on the chapel is all finished, and from closed all the time. The exercises of bless-ing the new church will take place on Satur-day, June 13, which will be on the least day of St. Anthony. May Possess One. Do you want a fine piano? If you do, the Everett Club or Co-operative System offers the following inducements, if you wish to pay cash: By becoming a member you will pay cash: By becoming a member you will save \$75 in the price of the piano and get it at once. If you cannot spare the cash, you can get your piano any time on payment of \$25 cash and \$2 50 per week, no interest, and still save \$75 in the price. If you cannot pay so tast, by waiting until your number is drawn you will get your piano on payments of \$1 per week, no interest, and save \$75 in the regular price to our retail trade. Think of this! Our club is composed of 350 members, each paying \$1 per week. Thus you see the members are buying for cash, and one piano is delivered to the member whose number is drawn each week until all are supplied; or, if one-half of the members take their pianos and pay \$2.50 per week, we deliver twice the number, and get double the amount of cash each week, and it leaves only one-half the number to be drawn on the \$1 weekly payments. It is a simple business problem. We are saving our members the difference in price by cou We are saving tracting for 350 pianos at one time, and on a
