### MAMMOTH WIDOWS IN DEMAND. A Sample Letter From a Man Willing to Contribute to a Happy Home.

INFECIAL TELEGRAM TO THE DISPATOR.1 SCOTIDALE, Feb. 24.-A large number of Westerners are urgently desirous of taking to themselves a wife, judging by the pointed com-munications received by Master Workman Wise. These letters have increased to a veritable shower since the Mammoth disaster. The following is a copy of one letter be received: Madison, Neb., Feb. 17,

DEAR SIR-Hearing of the explosion in your mines, and that there are so many dependent widows. I take the pleasure of addressing you. Is there one that would come West for the sake of a good home? I am a widower, aged 52, and have two children at home. Am a well-to-do farmer with 160 acres of land, and can get recommendations as to my character and deportment from all the county officials. I am willing, and would be pleased to accept and provide for some one, if we could agree. Would prefer one from 35 to 40 years of age, and with not too large a family—born in this country. Would like a neat and industrious house-keeper, willing to do her share to make a happy home, and one who would be satisfied to come West. I will not hold anything binding until there is farther correspondence. If there is any such person, please consult with them, and let me know their full name and address, so I can correspond with them. mines, and that there are so many dependent

Men From Two More Mines Join the Ranks of the Unemployed.

SPECIAL TELEGRAN TO THE DISPATCH. SCOTTDALE, Feb. 24.—This morning the employes of the coal mines at Livergood and Anderson, at this place, joined the army of strikers. This company was thought to have patched up an agreement with their men, but it was knocked out when the labor officials re-turned from Columbus.

A conference was held yesterday between the

a committee and the operators of those mines, and the latter refused to pay the rates demanded by the men, and will refuse to do so until a general scale is signed by all the other companies. The men were then ordered to strike, but to-day there are 10 or 12 men at work in the mines and the strikers say they must come out.

The question of the co-operation of women in the exposition was discussed at length, and the amendment reported by the committee was agreed to. An additional paragraph was inserted declaring that the several sums appropriated shall be deemed a part of the \$1,500,000, the limit of the liability of the Government.
