The Policy Formerly Urged by Bismarck May Yet Be Adopted.

IMPORTANT CHANGES ARE IMPENDING

BY CABLE TO THE DISPATCH.

LONDON, March 14.—The imbroglio at Belgrade grows daily. The Regents, closely bound to King Milan by their own interests, as well as pledges, are seriously embarrassed by his presence in Servia.

While here in London, King Milan frequently declared his belief that the attack made on his life at the Cathedral at Belgrade three years ago was inspired by the Queen, and that Garashanine was privy to the plot.

A Reaction Against Milan.

The refusal of the court at Belgrade to take proceedings against Garashanine for his newspaper attacks on the King is the first symptom of the public reaction against his Majesty.

This report is making now by Judge Pautsch, Pautsch was Minister of Justice in King Milan's Government in 1888.

While the Regents would gladly see Queen Natalie and her friends, and she is making it difficult for them formally to expel her.

A GERMAN CRISIS AT HAND.

The Emperor invites Bismarck to a Conference at the Villa d'Altona.

Berlin, March 14.—A renewal of the friendly relations between the Emperor and Prince Bismarck approaches a certainty.

It is now announced that Pautsch, accompanied by the Finance Minister, will go to Berlin when the Emperor returns.

Voicing Toward Bismarck's Policy.

In either of these events Servia would become practically a Russian dependency.

Since Bismarck then wished Austria and Russia to divide the Balkan peninsula between them and to have in order by an alliance of the three empires.

A REMARKABLE FUNERAL.

LONDON, March 14.—There was a remarkable scene in St. Petersburg yesterday at the funeral of Miss Catherine Struvin.

That important changes of some kind are impending is clear.

A FRESH SENSATION

IS SPRUNG BY THE ANNOUNCED MARRIAGE OF COLONEL HENRY MAPLESOHN-SCHIRMER NUPITALS.

Marie Rose, the Popular Prima Donna, Who Was Supposed to Be Maplesohn's Wife, Now Found Not to Be—Startling Developments May Follow.

BY DUNLAP'S CABLE COMPANY.

LONDON, March 14.—The announcement which has come from Paris of the proposed marriage of Colonel Henry Maplesohn, whose name as an impresario is a household word in two continents, with Madame Laura Schirmer Byron, has caused a great sensation which is not limited to theatrical circles.

The ceremony has not yet been performed, all reports to the contrary notwithstanding, but will be on Tuesday morning at the English Embassy, and will be followed by the regulation wedding breakfast, which will be given at the house of Marquis de Presigne.

Colonel Maplesohn, after a short honeymoon trip to the Riviera, the couple will return to London, where the future Madame Maplesohn is engaged to sing at the principal concert and at the opera, which will be given during the season.

Everybody is discussing this marriage, because it is universally believed that Mr. Maplesohn was married to Madame Marie Rose, the prima donna, who for some seasons was at the head of the Carl Rosa Company and whose performance of the leading operatic roles has given her a high and deserved reputation.

The course of true love, however, ran not smooth with her, and she was eventually divorced from her husband, and it is safe to say that everybody believed that they were what they represented themselves to be.

Colonel Maplesohn then published a letter, in which he stated definitely that he and Madame Rose were not married. This fact was not emphasized and furnished conclusive proof of it by the announcement of his approaching nuptials.

WARSHIPS WRECKED.

The U. S. Steamship Galena and the Tug Nina Washed Ashore.

A Heavy Sea Making a Clean Breach Over the Two Old Vessels.

ALL PERSONAL EFFECTS A TOTAL LOSS

VINEYARD HAVEN, MASS., March 14.—The United States steamship Galena and the United States tug Nina went ashore at 10:15 last night, one mile south of Gay Head lighthouse, during a strong south-easterly wind of force 3.

The vessels are badly damaged. The officers and crew, 77 in number, were taken off by the Galena's boats and a breeches buoy sent from the shore by the Massachusetts Humane Society's station men at Gay Head. A heavy sea was breaking over the vessels at the time.

News of the wreck did not reach here until afternoon today, because of telephone communication being cut off with Gay Head by last night's storm.

The tug Nina, which was carrying a cargo of coal, was wrecked at the same time as the Galena. The crew of the tug were taken off by the Galena's boats.
