Good weather and restored health will bring things around all right. Inquiry for property is good." W. C. Beringer & Co.: "The carpenters agita-tion for eight hours is about the only thing in the way of a general revival. This is a bad time to strike, and we think this fact will so in-fluence both sides as to lead to an amicable settlement." Financiers Report a Decided Improvement Clearing House exchanges seem to be firmly established above the \$2,000,000 mark. This de notes permanent improvement. There was a better call for loans yesterday than for some time, and depositing was heavy. These are en-couraging features. Rates were steady at 6607 per cent for call and time accommodations, Bank clearings were 92,199,548 37 and balances \$537,977 62.

Drygoods Market.

NEW YORK, April 8.—The drygoods market continued for the most part featureless as re-gards demand, though some improvement was noted in a few specialities adapted to the wants of jobbers and cutters. There is a better feel-ing in the market, however, and more confi-dence that a generally improved trade is not far distant.
