by Prof. Flagler was given this morning be-fore a large and en husiastic audience. Mr. a large and en husiastic audience. Plagler's lectures are not biographical; they are word pictures by the great composers. He described the appearance, the daily life, the eccentricities of Beethoven so vividly

in the street, in the woods, or at night in bed. He takes a thought from one of these little books, starts up from his seat, goes to the piano, strikes a few chords, sings and howls like a madman. He has begun to were selections from the symphonics on the

the National Constitution was made, conerring all necessary powers on the National Government. The lecturer examined closethe personnel of the convention of 1787. rof. Thorpe is making quite a reputation here as a lecturer.

and resolutions before adjourning last ht highly complimentary to THE PITTS-BURG DISPATCH and the New York Tribune for faithful reports of the convention. Dr. W. R. Harper was given an einborate bunquet by Chautauqua Assembly and College Faculty at the Hotel Athenneum to-night as a slight testimonial of the high respect in which he is held here. He leaves

There is serious doubt whether inversity, bert Adams, of Johns Hopkins University, will accept the position of Chief of the De-partment of Liberal Arts at the World's partment of Liberal Arts at the World's he to your correspondent to-day, "and I cannot say definitely what my decision will herst, Muss., to-night.

# To the Complaint From Tennessee Con-

CHICAGO, July 24 .- "All this alleged scare in the South grows out of the fact that the railroad companies object to being obliged to fumigate and disinfect their cattle cars after each shipment from the South to the North," said Secretary of Agriculture Rusk to-day. The secretary referred to a dispatch from Nashville that Tennessee cattle growers are incensed against an order of the secretary declaring

"No new order has been made. There has been no change in the regulations estabtain line should be stopped for quarantine before entering States where splenetic fever
