PEPECIAL TELEGRAM TO THE DISPATCE. 1 CLEVELAND, July 31.-With its usual good luck the driving club here have had every-thing that could favor the success of its grand circuit me ting and the week's sport ended to-day with plenty of sensations. Ex-cepting Little Albert's victory in the trot arried over from yesterday favorites went tumbling over & a way that paralyzed the knowing ones and kept the big crowd excited to the last. Besides this they saw a wonder ful performance of a novel character when three trotters going abreast drew a skeleton wagon around the track in 2:14. The triple hitch consisted of Belle Hamlin, Justina and Globe, all held and owned by C. J. Hamlin, of Buffulo. The trio secred down once and then set off to make the first record of the They mad: the quarter in 34 seconds, increased the clip to the half in 1:07%, and still faster to three-quarters in Island then flew down the stretch at a 2:12 gait finishing sthout a skip or waver in 2:14.

over this impressive sight, and when the time was announced there were calls for Mr. Hamilin till the old gentleman had to go up to the stand and bow his acknowledgment. The Baffalo breeder told THE DISPATCH COTdent that this was the first mile the cam had gone in this way, and that he is ufident they could beat the double team record of 2:13. Cal., in which Mr. Marvin wrote that he is making every preparation to have Sunoi trot against her own record. The exact date has not been fixed, but he will try it on one of the days of the San Jose fair.

Mr. Bonner said that, although Sunoi had trotted a half-mile in 1:023, yet it takes two halves to make a whole, and this does not by any means signify that she can go a mile in 2:05. He remarked that if he were to live 25 years more he does not think he will see the 2:05 record made, although there are those who think it will be. He thinks the limit of speed has been very nearly attained.

Will Wrestle Abs or Cannon

New Yone, July 31.-Ernest C. Roeber has issued the following challenge: "Having read about the numerous wrestling matches between Tom Cannon, who claims to be the champion of America, and Carl Abs, the German champion, I hereby challenge either Abs or Cannon to Wrestle Greeco-Roman style, best three in five falls, for £200 a side, the Police Gazette championship trophy, which I hold, and the championship of the world. The contest to be decided either in Hamburg, Germany, or New York, three months from signing articles. I will allow Abs or Cannon \$500 for expenses to wrestle in New York, or will accept the same amount to wrestle in Hamburg. If the match is to be settled in America, Bichard K. Fox to be final stakeholder, and the Sporting Life. London, must held the stakes if the match is to decided in Hamburg. To show I mean business my backer has deposited \$100 with Richard K. Fox, which, when covered, will guarantee a match." style, best three in five falls, for £200 a side,

This Evening's Boat Race. What promises to be quite an interesting boat race will take place on the Allegheny river this evening between William Snyder and John Zetwo. The rowers are both members of the Columbia Boat Club and the winner of the race will represent the club at the Washington regarta this month. The course this evening will be from the Ninth street bridge to the Point bridge and return. The course will be staked off, stake booys being laid at every third of a mile. The souliers laid at every third of a mile. The souliers will therefore be compelled to row in mid stream and the contest altogether will be strictly under amateur rules of boat racing.

A Challenge to Hammond.

The backer of Grant White called at this office last evening and left the following challenge: "Grant White will run Tom Hammond for \$250 or \$500 a side and concede Hammond three yards start in 163 yards that is, White will run 163 yards while Hammond is running 100 yards. A match can be made at The Disparch office next Saturday afternoon or evening."

A DISFATCH from Cincinnatisays: Although out of the barness, A. S. Stern still keeps in touch with the baseball situation, and interviewed to-day, he said: "The man who invests a dollar in baseball outside of the national agreement is a chump. That instrument is the salvation of professional baseball, and success cannot be attainable without its lines. It was absurd to ever think the League would desert Cincinnati. It has been demonstrated that two clubs cannot live here, and there can only be one answer to the question. Who has the best of it? The Association buried itself when it went to the East End."

Our Sluggers Find a Soft Snap and Win From the Clevelands.

THE VISITORS BEATEN AND FINED.

Tebeau and Umpire McQuaid Have a Few Words Together.

SURPRISE

Yesterday's League Games ...... 8 Cleveland ...... 8 Cincinnati ..... 7 Philadelphia. New York ...... 6 Brooklyn .... Now and again the local sluggers let them selves out and win a game, and yesterday

was to some extent one of those occasions. The attendance was not by any means large to see the feat but there were signs of pleasure at the re sult. The sluggers of renown nearly were beaten in the ninth, and only a most wonderful catch by Miller saved the day, for if he had not per-

formed the brilliant

act of catching, while he was on the run, a long hit ball the tis could almost certainly have been up for the home heroes. The game, to say the least, was not of the gilt-edged kind, and it was as much on ac-count of the poor playing of the visitors as anything else that the home victory was gained. The visitors did not by any means put up a strong game, and the victory for the local talent ought to have been an easy one instead of a very close one.

ARE SOMEWHAT CRIPPLED.

That the visitors are somewhat crippled here is no doubt, as the absence of Davis. their center fielder, is a great loss, indeed. Sharon, the new man at present in the outfield, is a pitcher, and apparently a very poor fielder. Gruber, at times, was quite a mark for the home players, but he insisted that McQuaid was giving him the worst of it; in fact various members of the Cleveland team rebelled against the umpire's decisions, and in several instances their kicking was excuscable, for McQuaid gave them the worst of it. But McQuaid was a little on his mettle himself, and as a result he fined McAleer \$25 for throwing his bat violently when called out on strikes, and Captain Tebeau was called down for \$50 for stating that his team were not getting fair treatment. Tebeau and McQuaid had quite an exchange of opinions, during which the player remarked:

"Fine away. We have plenty of money and we'll pay them I guess—not."

Baldwin pitched very well, but he was very wild at stages and in one inning gave three men their bases on balls. His support was fairly good, except Miller's work, which was of the brilliant kind.

Run-getting commenced in the first inning. After Hanlon was retired Shugart made a single to center and was in the act of stealing second when Beckley made a sacrifice hit, Shugart going to third. Virtue threw the bail wild to third and Shugart scored. In the second inning Mack led off with a safe infield hit and went to second on Bierbaner's sacrifice. Carroll's three-bagger to left scored Mack and Reilly's sacrifice scored Carroll. Baidwin got his base on balls and stole second on a muffed throw by Childs. Hanlon followed with a three-bagger toright center, scoring Baldwin, and Shugart's double scored Hanlon.

In the third inning after two men were out Bierbauer made a single and got to second on Sharon's fumble of the ball. Carroll's single scored Bierbauer.

roll's single scored Bierbauer. SCORING THE RUNS. In the fifth inning singles by Miller and Mack and a sacrifice by Bierbauer scored Miller, and in the sixth singles by Shugart and Beckley and a stolen base scored Shugart, and that ended the run-getting of

the home team.

The visitors were presented with three runs in the second inning. After Tebeau was out Virtue and Zimmer each got to first on balls and Gruber's single scored Virtue. Child's grounder to third enabled Reilly to throw Zimmer out when trying to score, and then McKean got his base on balls, filling the bases. Sharon singled to center, sendthe bases. Sharon singled to center, sending in two runs, and McKean was thrown out at third by Hanlon. In the third McAleer's triple to right and Tebeau's sacrifice scored another run and in the eighth Virtue's triple to left and Zimmer's sacrifice secred another.

riches triple to ter and Zimher's sacrines secred another.

In the ninth inning Childs led off and got his base on balls. McKean followed with a triple to left, scoring Childs, and Sharon struck out. Jo Bson knocked out a liner to left center and it looked good enough for a home run, but after a desperate effort Miller caught the ball amid cheers. McKean scored on the throw in McAlear knocked scored on the throw n. McAleer knocked up a little fly which Bierbauer caught. The Score:

THE COUNTY LEAGUE.

To-Day's Games and a Few Interesting Notes-Lively Contest Expected. There will be a great game of ball at the East End this afternoon between the Climax and Bridgeville teams. The former club
