BEDFOED, Aug. 12 .- Some time ago a young ady of Bedford township, aged 20 years, and doubly-widowered grandfather met, and a case of love at first sight, apparently on the side of both parties, was the result. They never met a second time, but yesterday was sut for the expected wedding. An ample dinner was prepared, a large number of quests were invited, and expectations ran light as the wedding boar grew near. The minister was on hand at the appointed time, and the bride-to-be appeared dressed for the occasion. The minutes went slowly for the occasion. Our Special Reduction and Clearing Sale of Shoes is in full swing. It will last until the end of the month, and it has already asted long enough to convince those who have taken advantage of it that every price from the lowest to the highest is without parallel. The plain fact of the case is that we are selling at a loss, and what we lose you gain. Our figures are nominal. They are so low that they have very little reference to the real price of the article. Most of the shoes are so ridiculously cheap that it resembles a give-away rather than a sale.
