

COAL BARONS' TRUST.

A Movement Made Against It by Uncle Sam's Law Officers.

QUARRY OWNERS ALSO IN DANGER.

Chicago's Bureau of Justice That Aids the Down-trodden Poor.

AGAINST RAPACIOUS MONEY LENDERS

(CORRESPONDENCE OF THE DISPATCH.)

CHICAGO, Aug. 14.—United States District Attorney Miller, of Chicago, in common with all other United States District Attorneys in the country, received a copy of the recent circular of Attorney General Miller calling attention to the provisions of the Sherman anti-trust law, passed by the last Congress, and suggesting to him to find out if there were any illegal combinations in his territory.

GOOD FOR SOME TRUSTS. If Mr. Miller is right in this opinion it is a very lucky thing for several recently formed incorporated trusts, which have been quaking in their boots for the past few weeks.

A NEW STORY.—Next Sunday THE DISPATCH begins publication of an American Serial Story, from the gifted pen of Miss Emma V. Sheridan, the actress and authoress. The story furnishes the plot. Read the opening chapters.

MORE FRAUDS BROUGHT TO LIGHT. In the investigation of the Swindling Building and Loan Company, which was incorporated in this city, it was found that the National Capital Savings and Building and Loan Association was even a greater swindle than at first supposed.

LAWYERS NOT SURPRISED. Chicago lawyers are not surprised that the District Attorney should reach this conclusion. For, if he took the ground that incorporated trusts were open to attack, it would be necessary to proceed at once to strike at the longest and boldest of them.

OPERATIONS OF THE SOCIETY. Its operations are confined to the very poor. Those who are unable to pay for the services rendered, and in all cases where it is subsequently discovered that the applicant for aid has ability to pay, he is made to pay the society at the usual rates.

COLIMA BURIED IN ASHES. The eruption of the volcano near the town still in progress. CITY OF MEXICO, Aug. 14.—A telegram received here yesterday from Colima states that ashes from the volcano have ceased to fall in that city, though the column of fire is still the same as it was yesterday.

KNICKERBOCKERS.—Bessie Bramble writes of new fashions for men for THE DISPATCH. Her suggestions are so good that she has been asked to write for the most exacting man-haters.

BADECEZMA ON BABY. Head One Solid Stone. Itching Awful. Cured to His Hands to Cradle. Head by Cuticura. Our little boy broke out on his head with a bad form of eczema, when he was four months old.

CUTICURA RESOLVENT. The New Blood and Skin Purifier and greatest of Remedies. Cleanses the blood of all impurities, removes the cause, while CUTICURA, the great skin cure, cures the itching, and restores the skin to its natural healthy condition.

WE ALL USE BANNER BAKING POWDER. PUREST AND MOST HEALTHFUL. PEACH.—One quart of hour having it in it POUNDING, one measure "BANNER" Baking Powder, and one measure flour two table-spoonfuls of shortening and a half teaspoonful salt, make a soft dough with milk or water; roll out to about one-quarter inch in thickness; have ready your peaches chopped up; spread them over the dough; sprinkle on them sugar and small pieces of butter and a little nutmeg; turn up the dough all around to prevent the peaches from coming out; roll and place in a cloth that has been a moment in boiling water; wrung out and spread on a dredged with flour; then a little ends, allowing room for the pudding to swell; steam for one hour; eat hot with cream.

PAINS AND WEAKNESSES. Of females instantly relieved by this new, elegant, and infallible remedy, CUTICURA, and Weakness, the CUTICURA ANTI-PAIN PILLS.
