GOV. PATTISON SPEAKS THIS DAY.

Both Friends and Enemies of the Alliance

MINOR NEWS FROM THE THREE STATES

Schemes There.

[SPECIAL TELEGRAMS TO THE DISPATCH.] Mr. GRETNA, Aug. 17 .- The Farmers' Encampment was opened to-day with a speech by President McSparren, who urged on his agricultural friends the importance of taking the recreation which the encampment afforded, and admonished them to combine brain with muscle in their pursuits so as to realize for themselves greater profits than they have heretofore enjoyed. Hiram Young, of York, attacked the Western and Southern branches of the Alliance for their advocacy of the proposed sub-treasury and

other cheap money schemes. Three hundred exhibitors are represented on the ground, in farmers' machinery and implements of all kinds and other manufactured articles. Since last year a large horticultural hall has been erected, in which the finest of fruits, grain and vegetables are on exhibition. Florida is represented by a the linest of fruits, grain and vegetables are on exhibition. Florida is represented by a large car filled with the products of that State, to which a small admission is charged to defray the expenses of the enterprise.

Three hundred teats have been placed in position for the accommodation of persons who may desire to puss the week at the encampment. The attendance to-day presages the numerical success of the show, the number of people present largely exceeding that attracted on the first day of last year an enampment. The speaking talent has been judiciously distributed, and large crowds are anticipated in consequence on each day.

To-morrow the big drawing card will be Governor Pattison, who will make the opening speech. He will be followed by General Gobin, unless that gentleman should find his presence necessary in Harrisburg to help his friend, General Gregg, to the nomination for Auditor General. On Wednesday J. T. Allman, lecturer of the Pennsylvania State Grange; Semator Brown, of York, and other Grangers will enevrain the fairmers. On Thursday General Hastings and Chauncey I. Black and others are down for speeches. Friday is generally not a notable day, but as senator Peffer and Jerry Simpson will ventilate their political views, there will be an exception to the rule. Simpson will arrive Thursday to afford him proper time to mingle with his Alliance friends.

KNIGHTS FILLING HARRISBURG.

The Pythian Programme Includes Grand

Parades in Uniform. Hannishune, Aug. 17.—The city is already crowded with visiting Knights of Pythias, gathering at their annual meeting here. The grand officers of the lodge arrived here at noon, and Major General James P. Carnahan, of Indianapolis, the Commander in Chief of the parade, reached here this evening. The Grand Lodge will convene in business session to-morning. Governor Pattison will make the address, and Grand Chancello: L. T. Bishop, of Warren, will preside.

The most important business to be transacted is the election of officers. There is a lively, contest being waged for the office of Inside Guard. There are several contestants, but the principal candidates are Charles T. Freed, Lodge, No. 148; C. Linde, Lodge No. 20, and T. J. Harmey, Lodge No. 9, all of Philadelphia. The parade promises to be one of the largest and most imposing ever seen here. Uniformed divisions and companies from all over the State, with bands, will be in line. Dr. M. K. Bowers, of this city, will be chief marshal. The prize drill Thursday will be participated in by at least 500 uniformed knights. The dress parade will take place Thursday evening under the orders of Brigadir General Simmons. ing. The Grand Lodge will convene in busi

A CHANCE FOR PROHIBITIONISTS.

Officers of a Local Option County Offer to Resign and Give Them Full Swing. WELLING, Aug. 17 .- For many months the good people of Cameron county have been troubling tnemselves about the very free placed in their own hands. This offer has now been made to them, and they are in a Liquor has been sold there, and s to-day, in open violation of the law, and very effort of the police only seems to in-

ease the traffic. As a result, the officers have been abused the Prohibitionists until they are heartly red of the whole thing. Taking the oblitionists at their word, the officers of Prohibitionists at their word, the officers of Cameron county have now offered to resign their positions, one at a time, and to elect Prohibitionists in their places, until finally every office in the county shall be held by a staunch Prohibitionist. Instead of accepting this generous offer, however, the Prohibitionists are heaping added abuse upon the heads of the officers. Thus the matter stands, the liquor element flourishing more than ever.

THE ENGINEER LOST HIS HEAD. He Is Killed Because He Jumped From

His Wrecked Train. SCOTTDALE, Aug. 17 .- The Youngstown ex-

PROF. BRUTKIEWICZ GIVES BAIL.

The Implication of Others in the Johns town Scandal Causes a Sensation.

JOHNSTOWN, Aug.17 .- Judge Barker arrived here this evening and at once heard the arguments of counsel on the writ of habeas corpus in the case of Prof. Brutkiewicz, charged wifh criminal assault. The Judge

3. The coupling of the names of other prominent citizens with the case has produced a great sensation here. The friends of the one man most prominently mentioned (an official of the Y. M. C. A.) positively deny that he is implicated, though he is still absent from the city.

THE CAUSE OF THE CHURCH FIRE.

Braddock Citizens Disagree With the Conclusion of Marshal McFadden. the streets here this evening. About 7 o'clock four Americans were passing down Fourth street on their way home. They were the two Bollinger boys, a man named Davis and another R. McGearey, all glass-workers in the Pittsburg Plate Glass Works here. They met four Belgian glassworkers who had evidently been drinking. Some words passed, when suddenly the Belgians furiously assaulted the younger Bollinger, knocking him down in the street.

The other Americans came to their friend's assistance, and for a time an ugly fight was waged. Stones, clubs and knives were freely used. Citizens tried in vain to part them, and only when two of the Belgians had fallen to the ground and the others escaped did the ugly fight end. When officers arrived it was found that all parties concerned had been terribly beaten and cut, the foreigners having the worst of the fight. Two of their number are now in the hospital department of the lockup. The Americans are not badly hurt, and say they will be able to prove the foreigners would have killed young Bollinger had they not interfered. Davis and another R. McGearey, all glass

PROFESSIONAL MEN BITTEN

By a Bogus Benefit Concern at Newark

With Cleveland Headquarters. Newark, Aug 17.—There are a great many disgusted victims of a wildcat beneficial asocintion in this city to-day. The organiza tion was known as the Franklin Beneficial Association, the principal offices being lo-cated at Cleveland. This central organiza-tion called itself the Supreme Council, and from it all orders emanated. A few months ago a subordinate branch was formed here. Many became members by paying down & entrance fee, and \$1 a week for \$1 consecuentrance fee, and \$1 a week for \$1 consecutive weeks, and thereafter \$2 every month, with another little expense of \$1 every fourth week. The certificates were to mature in six months, providing the member secured two more members. If they failed to bring in other members their certificates were to mature in 12 months.

In this way the members were to got \$100 for paying only \$34, and hundreds bit at the bait offered. Some 50 certificates matured last week andeach man was promptly as

for paying only \$34, and hundreds bit at the bait offered. Some 50 certificates matured last week, and each man was promptly assessed \$10 more on maturity for incidentals. It is now learned the Supreme Officers in Cleveland have no money to liquidate certificates. The members here were principally from the professional ranks.

A COMMUNITY TO BE ARRESTED. The Inhabitants Celebrated a Birth by the

Cruelest of Sports. NEW CASTLE, Aug. 17.—The entire population of the Italian settlement at the Pear on limestone quarries, outside of this city will be arrested to morrow on a charge made by Human Agent Marshall. For two days the Italians there have been celebrating a birth. Among their games is one of the most brutal imaginable. A large number of chickens were, one at a time, tied to a stake. The owner then charged a nickel for three throws at the birds with stones. The thrower throws at the birds with stones. The thrower who succeeded in killing a fowl was entitled to it. No matter how often the bird was struck and injured, if it displayed the least signs of life it was still a mark for the throwers. At least two score of chickens were disposed off in this way.

NO MILLERSTOWN NOW.

The Name of the Postoffice and Station Changed to Chicora.

MILLERSTOWN, Aug. 17 .- The name of this place has suddenly been changed, much to the amazement and disgust of some, and the delight of others. The name is now Chicora, all on account of Mr. Wansmaker

Chicon, all on account of Mr. Wanamaker and a petition.

While the opposers of the change of name were laughing because the matter had been dropped, as they fondly hoped, the other side was getting in some quiet work. They not only succeeded in having the name of the postoffice changed from Branhart's Mills to Chicora, but the officers of the Pittsburg and Western Railroad have also changed their station to that euphonious, though coffee-scented name.

A WATER MAIN BURSTS

The Escaping Waters Completely Flood the Town of Turtle Creek.

McKessrout, Aug. 17 .- The town of Turtle k was badly flooded early this morning by the bursting of a big water main which furnishes water for the Westinghouse Air Brake works at Wilmerding. The pressure suddenly became too heavy for the pipes. Several houses were badly flooded. The works at Wilmerding were compelled to suspend operations, as was also the engine house at Port Perry.
