IN PITTSBURG AND VIGINITY. By Far the Biggest Value Offered Since This Sale Began.

See the Matchless Trouserings on Display in our Penn Avenue Windows. We have had marked success with the sale of a

large quantity of fine imported Trouserings. They always sold freely at \$10. Since the inauguration of this sale they have sold more freely with a discount of 25 per cent. Now we propose to move them more quickly. Commencing this morning, the price will be \$8 less 25 per cent, or \$6, made to your measure and delivered in five days. There will positively never be another offer like this. It is simply \$10 Trousers made to your measure for \$6. And all because the stock has got to be closed out by September 15. Keep in mind that the material is unsurpassed-the workmanship strictly first-class throughout, and that it is to make the disposal of the stock more rapid that this exceedingly low price is made. See the window dis-

the easier it will be to find what you want.
