vas kept secret until Saturday night

SEVEN RULES TO LIVE UP TO.

In the outline of the police superintendent's furnished by Mr. Brown he referred to the seven rules laid down in the

police superintendent. The first of these provides that he shall be subject to the order of the chief of the Public Safety Department only, and he shall issue all orders to inspectors under, him in writing. Rule 2 places all property of the Police Burean under charge of the Superintendent, including live stock, horses Station houses and all the lesser details, of which he must keep accurate inveatory and account, as well as to personally attend to the expenditures of the bureau, seeing that the funds are econ-omically and wisely expended within the ap-propriations granted by Councils. Also to watch carefully that the pay rolls are cor-rect in every particular, and to keep in his office a journal and ledger which will at all times show the exact condition of the ap-propriation.

repriation. Rule 3 places the special patrolmen under the charge of the superintendent completely and requires him to keep accurate record of

Rule 4 authorizes him to exercise his dis-

cretion as to referring lawsuits against his subordinates as officers of the city to the

Creation is to referring inwants against its subordinates in officers of the city to the city attorney.
Hule 5 designates the different books of record that shall be kept in connection with the Police Bureau.
No. 6 requires that the Superintendent shall attend to keeping the police telephone and telegraph service in good repair, and have charge of the distribution of keys for patrol and fire alarm boxes.
Rule 7 places the care and control of all supplies and necessaries of the Bureau in the Superintendent's hands.
In addition to all the above regulations, Superintendent Weir will have command, control, management, discipline and supervision of Assistant Superintendent Reger O'Mara, the inspectors, captains, licutemants and all other officers of the Public Safety Department, and he shall take cognizance of any and all neglect of duty on the part of any of said officers. No employeof the bureau shall be appointed nor disparged without the knowledge and con-

employeef the part of any of said officers. No employeef the bureau shall be appointed nor discharged without the knowledge and con-sent of Superintendent Weir. He will make or cause to be made any and all informa-tions before the police magistrates.

AUTHORITY OF THE SUPERINTENDENT.

Leave of absence to any inspector or sub-

willingte or other officer can only be given

by him, and he will have full power to as-

sign any and all members under him to their respective duties, as may seem to him that the best interest of the police service may

the best interest of the police service may require. The is responsible for the preservation of the peace and protection of life, limb and property within the city, and for the good discipline, conduct and efficiency of the force. He will make such reports from time to time as the chief may require, and must see that within the city time laws of the State, ordinances of councils and police regulations are 'rigidly enforced: preserve peace and good order at elections and provide police force at every fire and at every public assembly of 'citizens. When necessary he will report in person at all serious and extensive fires and at all rotous or tunnitions resemblinges.

person at all serious and extensive fires and at all riotous or tunuitaous assembliages, where he will take command of this police force present. He must abate all gambling houses and all r oms for the sale of lottery lickets or policies, or for improper amase-ments, or for any unlawful purpose whatso-iver.

ments, or for any unlawful purpose winted-ever. The station houses and other police quar-ters are under his care and he must see that they are kept clean and comfortable and the supplies and property taken care of and accounted for. The following offenses will be sufficient to empower him to suspend any officer or patrolman: First-Visiting public houses or drinking salons, unless in the performance of dury, and drinking therein. Second-Failing to report any policy, iob-tery or gambling houses, or rooms on his beat, or other disorderly place known to him. Third-Smoking tobacco on the streets

him, \* Third-Smoking tobacco on the streets while in uniform, at any time between suc-rise and midnight. Fourth-Sleeping on his beat during his hours of service. Fifth-Wilfhul disobedience, or using pro-fane, valant or disrespectful language 50,5 superior officer or to any citizen.

will not have been in session for a week next December before the Secretary of State is called upon to submit all the correspondence in regard to the relations of the United States and Chile, and a severe criticism of the conduct of the administra tion in this affair may be expected from Republicans as well as Democrats

### SOME POLITICAL CAPITAL.

tin. Moreover, if Egan can be reached in any way he will be investigated with a big searchlight. The Democrats especially will insist on this, as they do not easily forgive un Irishman who votes the Republican ticket, to say nothing of one who accepts other at the hands of a Republican adminis tration.

Certainly the career of Mr. Egan in the field of South American diplomacy is caded. Leaving aside the charges made against him of more than a political interest in the suc-cess of Balmaceda, which most involve him with his own government, his bold expres sion of opposition to and contempt for the Congressional party are too well known to of a possibility of his being even briefly, acceptable to the ad-ministration of that party after it gets settled in its sent with a firm hold of the governmental reins.

He seems to have written promiscuously spread his contemptuous opinions of now victorious party. There are in this city in the hands of officials the navy letters from him in which he speaks of the Congress party as a party of the roughs and of the mob, while Balmaceda represented the respectable element-the reverse being the

### TRE ADMIRAL, ALSO,

The conduct of Admiral Brown, in making war vessels of the United States a place of refuge for fleeing officials of the administration of the dictator, is also severely criticised here, and if the Admiral be not able to give a very clear and satisfactory explanation in his report to the State Depart-ment, he will also doubtless be overhauled to satisfy popular demand, though it is probable the administration will seek to be as gentle as possible with any who were rticipit criminis with itself in the conspiracy to uphold the dictator, Balmaced Altogether the conduct of the United States Government and its agents in this chilean broil is considered by those who were merely intelligent lookers on as highly extraordinary, especially as monarchical Governments chose a much more liberal policy toward the popular Govern-ment, or Congressional party, and whose great newspapers like the London Times are calling for the severest investigation of a British war vessel in carrying away millions of Government funds at the behest of a elf-appointed ruler who is now a fugitive and exile.

Mayor Grant Runs Across Two Bodies in the Debris Yesterday.

New Yong, Aug. 31 -- Mayor Grant visited the Park Place ruins to-day and while poking around in the debris discovered two bodies. One of the bodies is supposed to be that of Abraham Derkovitah, of 104 De be that of Abraham Derkovilan, of 104 De-lancey street. He was employed in the bronze leaf factory. The body was not much burned. The second body is thought be that of a man named Blitz, who was also in the employ of Rosenfield & Co. The find caused much excitement as there

The find caused much excitement as there are others missing who are supposed to have been in the building. This afternoon J. A. Lyman, who has given such good work for the Corener, took a lantern and made a thorough exploration of all the vanits under the sidewalks and could find no other be dies. The Relief Committee reports that the total amount subscribed up to 11 o'clock to-day was \$14,606.77.

## FOUR TRAGIC DEATHS.

Two Tramps Shot Down for Murdering an Aged Couple.

MONROE, MICH., Aug. 31.-On Saturday afternoon at a farm house near here, John Wilkinson and his wife were brutally murdered by two tramps. The villains begged for something to cat, and finding Wilkinson

for something to eat, and finding Wilkinson and his wife alone, with the exception of a 10-year-old boy, undertook to compel them to reveal the hiding place of their supposed wealth. They knocked them down, out great gashes in their faces with knives, and kicked and otherwise abused them. The boy in the meantime escaped and gave an alarm. A posse of neighbors started to the rescue, but when they reached the house the couple were dead, having re-ceived ten terrible wounds. The tramps were sighted near Maybee station and both were shot down by the infuriated eitizens. The bodies were completely riddled with bullets. The murderers were strangers in the county.

## ON A RAFT IN MID-OCEAN.

### Eight Survivors of a Shipwrecked Crew o 26 Rescued and in Port.

NEW YORK Aug. 31.-The steamshin tons, which arrived this morning, brought with her eight members of the orew of the

the county

ship Sea Gull, which was wrecked in a ship Sea Gull, which was wrecked in a terrific gale on the African 'coast. Of the erew of 25 all were drowned save the eight men picked up by the Arizona. When the Arizona found them they were floating on a small raft in the middle of the Atlantic Ocean, and frantically waving sig-nals of distress. All were terribly emacined from hunger and exposure, and some were hardly able to stand. The eight survi-vors are the first mate, the cook and six of the crew.

reporter about the organization. "If the minority will not do what the majority wills," said the gentleman, excit-edly, "it is high time for the majority to hang the minority. If ballots won't do the business, bullets will, and there are a lot of us pledged to go that far." Ex-President Hale, who asserts that his life has been declared a forfeit in the under-ground meetings of these people, was and is keenly alive to its existence. Before the meeting at Pertle Springs he sent out a let-ter, dated Angast 14, to every delegate he could trust tolling him the facts and exhort-ing him to be at the convention ready to crush out the influence of these Socialists, as he called them, in the Alliance, This letter sperate the visitor, and he left and did not raise his hat as he shot out of the office and down the steep stairway out into William street.

THE VISITOR IDENTIFIED. The Collector's young visitor was Russell Harrison. Almost everybody knew who he was, and everyone, to a man, wanted to know why he was angry and why he talked so emphatically to the Collector. 'The Collector shook his head as he said that Mr. Harrison had called on him on a matter on Was kept secret until saturday night. This secret order calls itself the Anti-Monopolists. Very few, if any, farmers be-long to it. Its strength lies mainly in the cities, and the farmers are its cat's paws to rake its political chestnuts from the fire. which he could not speak. It was learned that the President's son was angry because Secretary Foster and Collector Fassett had peremptorily refused to turn over to him the United States outter Grant for a junketing

tour down the bay. On Friday young Mr. Harrison called on His Proposed Removal to Newport Is the Collector and said that his wife and six ter, Mrs. Harrison and Mrs. McKee, would arrive on the Malestic to-morrow. Young

Mr. Harrison asked that the Grant be as Mr. Harrison asked that the Grant be as-signed to him so that he, with the Presi-dent's wife and a few other friends, could go down the bay and transfer the young fadies from the Majestic to the Grant. He also requested that the beggage of young Mrs. Harrison and Mrs. Mokee should also be transferred at the same time. The Grant is not directly under the control of the Col-lector of the Port. Her movements are di-rected by the Secretary of the Treasury. Hon, W. L. Scott to Newport was not effected to-day. His illness took a more alarming turn this morning and physicians decided it unsafe to make the attempt. There is no doubt Mr. Scott is dangerously ill. Dr. Pepper, the Philadelphia physician who came here Friday, was called away Sunday upon an important consultation and

A NEW USE FOR THE GRANT. has not yet returned. Late reports to-might She is a cruiser in the revenue marine ser-

are of an unfavorable character, and those vice, and her cruising ground extends from Cape Cod to New York. It appears that the closest in the confidence of the family ex-Cape Cod to New York. It appears that the young Mr. Harrison was told this, and furtheranore, was told that the Grant had never been used for the purpose he now suggested. The Grant is not a particularly heavy boat, and it was thought she might be injured in running up alongside the Ma-jestic. It was suggested to him that per-haps he should take either the Washington or the Chandler, the two best customs tugs, which are immediately under the orders of the Collector. press fears of a fatal termination of his illness. Mr. Scott's family is prepared for the worst. REV. MR. M'CRORY WILL REMAIN. His West Bridgewater Congregation Over whelmingly Rejects His Resignation. ISPECIAL TELEGRAM TO THE DISPATCH. 1

which are immediately under the orders of the Collector. But even with this suggestion it appears that young Mr. Harrison was told that it was against the instructions of the Treasury De-partment to transfer women from incoming steamers to a smaller craft. The experi-ment even with men is hazardous, as the deck of the smaller craft is so much below the saloon deck of the blg occan liners that a long ladder is always used in getting the men to the smaller boat. All this time the big steamer is in motion, and the little craft, with a single hawser temporarily thrown ith a single hawser temporarily thrown up, is running alongside.

TWICE THE BULE HAS BEEN BROKEN. So strict is the Treasury Department

about the transferring of women that it has taken only two from an ocean steamship in taken only two from an ocean steamship in this fashion. The first was Mrs. Nellie Sar-toris, daughter of General Grant, and she was taken off because her father was dying at Mt. McGregor. The second was Miss Foi-som, the intended bride of President Cleve-land, and she was taken off after dark when the steamship Nordland was at anchor at comrantine.

Ind, and she was taken on after tark when the steamship Nordland was at anchor at currentine. Toung Mr. Marrison declined absolutely to take either the Washington or the Chandler, and stuck to it that the Collector could ar-range for the use of the Grant, and also order the transfer of the two ladies. The Col-lector, it was learned, declined to assume any responsibility but in order to please Mr. Harrison, who is one of his personal friends, he submitted the case to Scorotary Foster. Secretary Foster wrote snatalning Collector Fassett in his opposition to young Mr. Harrison's request. It was this that made Mr. Harrison so hot this afternoon. He had called to see how the land lay and it appears the Collector told him the verdiet. As the case stands now, if the pusses for the revenue curter to meet the Majestic are not exchansted young Mr. Harrison can go down in her and board the Msjestic and come up with his people to the dock. But neither the two ladies nor their baggage will be transferred to the Grant or to any other entire down the bay.

The people will have to look to this coun-try for reflet. Russin is short and can't sup-ply Germany, and France is not much better off. The potato crop in Continental Europa, has been more or less a failure, and the peo-ple look with longing eyes toward. America, I predict that by Christmas wheat in this country will sell at \$1.20 per bushel owing to the great demand in Europe." MINERS DENOUNCED AS REPETS A Sensational Bill to Be Introduced in th
