# THE HOMEWOOD BACES.

A Big Card for the Opening Which Takes Place This Afternoon. will begin.

The fall meeting of the Homewood Driving Park Association will commence this afternoon, and it seems safe to say that the meeting will be a great one from first to last. There is every indication of some good racing, and there never has been a fall neeting here when entries have been so prolific,

meeting here when entries have been soprollife. The track is in fine condition, and last evening the city was full of well-known horsemen from other cities. Frank Herdie and Sam English are here and looking as gay as four-time winners. There are these events on the card for to-day. The dirst is for 2-coars-dis or under, for which a 500 purse is offered. The second event is the 2:16 pace for a purse of 560. This promises to be a great race and the following horses are entered; trawford, Emma, Joritan, Eitra Medium, Maggie R, Casar, Grant's Abdallah, Lany Sheridan and Vetello. The hird event is the 2:38 trot, for which no less than 25 horses are entered. Altogether the opening day will likely be a very interesting one.

### League General Sporting Notes. OLD SPORT GALVIN Is still in it. WELL, the boys are still keeping it up, and no mistake BLAINE-Westmont paced a mile with running mate in 1884 in 2:01%. THE Bridgeville and Uniontown teams will play at Uniontown Thursday and Friday.

### JIM MUTRIE had given Rusle a good rest pur-posely to down our sluggers, but Jim was sadly inted.

JACK MCAULIFFE says he'll willingly fight Gibbons in a room if Gibbons will get somebody to put up a reasonable amount of money for him. REFERENCE QUINN states that he was approached by New Jersey pollificians to make the Gibbons-McAulifie hattice a draw, even before the men got into the ring.

As the Bridgeville players were returning from obnstown Saiurday evening, they lost a value ontaining four basebail suits. Any person re-urning same to club will be rewarded, JOHN S. HAMILTON-I. We cannot tell whether or not Whitehead was ever champion 100-yard run-act; but he won a Sheffield handicap in 1857, and ubsequently was twice "soratch man" at Shef-leid. 2. We held the stakes for the Hammoni and Morrissey foot race, and they amounted to \$1,000. The Directors of the Latonia Jockey Club have ruled W. E. Brannon, R. M. Brannon and John Brannon off the tracks for being connected with the "ringer" Folk Badgett, that won a race at Latonia, September?. Jerry Wernberg, of Brook-lyn, has also been notified to produce the horse Tanner that is claimed to be the ringer.
