PETECIAL TELEGRAM TO THE DISPATCH. BOSTON, Sept. 19.-There were two nice plums hanging upon the South End grounds this afternoon, labeled

"Games won," and Boston and Pittsburg wrestled with each other to see who should have them. It was rather mean, but the Beanenters gathered both, wanting them for dessert, Sun day. King and Mack were the Pittsburg battery, Miller being rather lame as the result of his injury yesterday; but he injury yesterday; but he out-Gleason, Alleu. Stovey went to first on balls, Brodle following with a double to right, Lowe scoring. Rellly fumished Nash's hit, Stovey scoring. Treker was sale at first on the attempt to cutch Brodle, who had started for home, but later changed his mind and went back to third. With the bases full, Joe Quian sent another home run over the left field fence and four more runs were chalked up. The Burgers now attempted to put no one out and created lots of fun by the exhibition they gave of playing for darkness. Gaugel struck out purposely. Clarkson attempted to do the same, but succeeded in getting a hit and side second and third unmolested. Long went to first on balls, stealing second. ONCE MORE EXCITING.

The Teams in the League Race Making a Lively Wind-Up.

Once more the struggle for the National League pennant is becoming exceedingly steresting. It is becoming doubly interesting because there is likely to be an argument for first place and also one for fifth place. The results of the last two days have shown Mack
After a rest of five or ten minutes and a change of latteries Clarkson and Ganzel for liosten and lialdwin and Mack for the Burg-

the Chicagos have a tolerably good chance of winning the pennant they have not won it yet by any means. The truth is there is now a possibility that Anson may not get there after all. Certainly his cisances look the best, but another three straight defeats for him and another three straight defeats for him and another three straight wins for Bostom will make things very unpleasant for Chicago.

The battle for fifth place is now very warm, with the chances in favor of the home team. They have had a remarkable trip East, and their defeats only seem big because three of the five were suffered at the last stage. They have won eight and lost five away from home, and that is quite lost five away from home, and that is quite a good record. Boston this season has proven an awful town for our sluggers, as they have not won a game this season there. But the local men will be home to-morrow and tackle the Clevelands. The chances, therefore, are that the Pittsburgs will finish in fifth place. They have done well lately to make the argument so close as it is. The following table shows the correct standing of the teams up to date:

Uniontown club defeated the Buena Vista club in a poorly played contest. The Buena Vista boys were in too fast company and the kome club won with case. Following is the score, seven innings:

Dick Howell, the English Bicycle Champion, Coming to This Country. IBY CABLE TO THE DISPATCH. 1

London, Sept. 19 .- Early in the week the Austrian Government offered the highest price that has ever been made for a race horse. The sum was \$100,000, with no conditions imposed. Blundell Maple, who owns Common, refused to entertain the offer or any other that may be made for the champion 3-year-old. He intends to keep him in England for breeding purposes, and 12 it is very doubtful if Common will be raced

any more. Richard Howell, the champion bicyclist, is credited with covering a mile in 2:15 at Coventry the other day. This is one second better than Osmand's record. Howell leaves for America next week to take part in the six days' bicycle race at Madison Square

Garden.
At the Surrey Bicycle Club sports H. L.
Howard rode ten miles over a grass course
in 28:94-5, which is 2:301-5 better than previous re ords. All the quarter-mile records from the first to the last were wiped out. E. L. Ede also put up a new set of figures for a safety on a track from 61 to 106 miles He made 200 miles in 5 hours 41 minutes 4-15 seconds.

DARRIN AND M'CLELLAND.

They Will Run Their Three-Mile Race at Recreation Park.

The big three mile foot race between E. C. McClelland and Harry Darrin will take place at Recreation Park next Saturday after-noon. The contest is for \$250 a side and all

During the last few months McClelland has been defeating everybody, and this simply means that he can defeat the champion. Darrin is a remarkable runner, and sometime ago defeated Peter Priddy at Exposition Park.

McClelland has been for some time, and is still, training at Wheeling, while Darrin is, as usual, training on the Manhattan Club grounds. Both men will likely be in fine condition, and a great race, may be expected.

LEHMAN THE WINNER.

He Defeats James Mariarky in a Very Interesting Foot Race.

There was quite a good crowd at Recreation Park vesterday afternoon to witness the foot race between William Lehman and James Malarkey. They ran 100 yards for \$200 a side.

There was considerable betting, which began at evens and ended at 2 to 1 on Leh-man. The men went off to a good start and Malarkey soon showed in front and held a slight lead until 70 yards had been covered. Then Lehman, the little wonder from Mt. Washington, put on a spurt and went to the front, winning cleverly by a yard in a little better than 10% seconds.

A Meeting Held to Arrange Fall and Winter Football Games.

THE TEAMS FOR THE NEW LEAGUE. Macdonald Citizens' Cup and Pennant Will

GENERAL SPORTING NEWS OF THE DAY

Go to the Season's Winners.

The football season will soon be in full swing. Clubs playing under association rules have already commenced to get themselves in form by playing friendly games. The championship season, however, will hardly open till October 10, when it is expected that the first games of the Western Pennsylvania Football League schedule will take place. An enthusiastic meeting of the League

was held during the week, and although no definite arrangements were made for the coming season, it seemed to be the feeling of the various representatives present that nothing but success was in store for them this year. The committee appointed to draw up a

new constitution, etc., met in the Hotel Schlesser last night, when a great amount of work was gone through. The League will consist of not more than eight clubs, and the schedule will call for home and homes games

with each club. It has not yet been decided what clubs shall form the League, but this along with all other questions will be considered at another meeting of the League to be all other questions will be considered at another meeting of the League to be held on Wednesday evening. Secretary Macpherson is of the opinion, however, that the League will be composed of the following clubs: McDonald, McKeesport, Lawrenceville, Thistle, Homestead, Braddock, Bloomfield and New Castle. All other clubs wishing to be admitted should either send a representative to the League meeting on Wednesday or make application by letter to the secretary before that day.

The constitution this year will call for each club to put up a forfeit of \$25 or \$50 before the opening of the season as a guarantee that they will play the season out. This sum will be returned to the respective clubs at the end of the season who have fulfilled the requirements of the rules of the League.

Last year the McDonald club, besides winning the Pratt pennant, were presented with a handsome sliver cup, valued at \$100, by the citizens of their town. This cup the McDonald players have generously offered to the League for competition, which should be the means of every club making a special effort to be at the 100 of the list at the close of the season.

The officials of the League recognize the fact that football, as played under Association rules, is not so well known in this city as it ought to be, and at present are making strong efforts to bring a Chicago team to Pittsburg to play an exhibition game between this time and Thanksgiving Day. Word was received in the city during the week that a strong team from the Windy City would visit New York, Boston, Philadelphia and Pittsburg this year. They shall certainly, receive a hearty welcome here should their proposed visit materialize.

For the benefit of new clubs wishing to correspond with the League, the Secretary's address is George Macpherson, 42 Fifth avenue.

Football at Homestead.

There was quite a lively football game at Iomestead yesterday between a team of that piace and the Bloomfield Rovers. The contest was a close and severe one. The the Rovers claimed they also scored, when a wrangle ensued and the game ended, the score being 1 to 0 in favor of Homestead. The Rovers are a good team, and claim that they were not treated fairly at Homestead.

Opened the Kicking Season. NEW CASTLE, Sept. 19 .- [Special]-The foot ball season opened here to-day with a bril-liant game between the Athletic Club, of this place, and a picked team from Allegheny county. War Still Continues and Jockey Bergen's License Suspended by the Board. GRAVESEND RACE TRACK, Sept. 19.-Fully 10,000 persons made the journey to this course to-day, expecting to hear that the fight between the poolrooms and track had been settled, but they were sadly disappointed. Tenny, the favorite, won in slow time. The other stake feature was the Willow, for 2-year-old fillies, and was won easily by the odds on the favorite, Yorkville Belle. The Cokena filly, which finished second, was all but left at the post, otherwise she would have given the winner a hard race.

The Board of Control, at a meeting to-day, suspended Jockey Bergen's license for mis-behavior at the post.

Then She was Married Secretly to One Man and Then to Another.

NOW SHE TIES UP TO NO. 1 AGAIN

CHICAGO, Sept. 19 .- Another social sensation to which Miss Gertrude Whiting Potter, daughter of O. W. R. A. John, pastor of St. Paul's Church, in the city of Chicago. The parties continued thereafter to live at their respective homes. Subsequently Miss Potter resubmitted to legal counsel the question of the validity of her marriage with Mr. Daniels and Delieved that such marriage was invalid. She then informed on the first day of January between herself and Mr. Daniels and of the advice which she had received. Thereupon, both parties believing they had a right to do so, a cereinony of marriage was performed at Lake Geneva, Wis., on the sixth day of June, 1891, by the Rev. M. J. Ward. Both of the ceremonies referred to were secret and were unknown to the parents of any of the parties concerned. The ceremony of June 6, 1891, was first made known to the parents by its publication about a week ago. At that time theywere also first informed of the previous ceremony of marriage. says:

"No actual necessity existed for any cree of court annulling the marriage, which was in fact void, but the same was secured for the reason that the interests of all con-cerned made it proper under the circum-stances stated.
