

NOW A UNIVERSALIST
Rev. Dr. MacQuarry, Withdraws
From the Episcopal Church.
HIS LETTER TO BISHOP LEONARD.
He Refuses to Recant and Will Become
Pastor of a Michigan Fold.

NEVER GOT THE PLACE.

Work That George R. Thompson Did for
President Hayes and Why He Did Not
Receive a Foreign Consulate—How He
Made a Change in History.

George R. Thompson, Southern passenger
agent for the Pennsylvania lines, with
headquarters at New Orleans, arrived at
the Anderson yesterday, having come
North on his annual vacation.

Mr. Thompson is one of the most inter-
esting characters connected with the Pen-
nsylvania system of railroads. He is a son
of the late Judge Thompson, of Ohio, and
a brother of Rev. Dr. John Ray Thompson,
the noted Brooklyn minister.

HOW MICKEY SMITH ESCAPED.

The Story of the Murderer's Flight Told by
a Prisoner at Johnstown.

JOHNSTOWN, Sept. 23.—[Special].—Seven
years ago last Saturday night a one-legged
man named Mickey Smith escaped from the
Columbia county jail, where he was
confined under a sentence of death for the
murder of John O'Hanlon, whom he shot
down in cold blood at an election, and the
escape was made about a month before the
date for the execution. Shortly after a
reward of \$1,000 was offered for his apprehen-
sion.

Today Silas Baldwin, who left here be-
cause of a serious charge, returned and was
arrested. He told a most remarkable story
of how he had made his escape, and that he
now lived at Fall River, N. Y. There are many
circumstances which would confirm his
story and the fact that Baldwin is a
son of the late John O'Hanlon, who was
shot down at an election, and without
saying a word Mrs. Wayne went to another
room and five minutes afterward, when her
husband went to find her, she was dead.

A Quietness on a Scandal.
JOHNSTOWN, Sept. 23.—[Special].—At the
hearing of John T. Lowery, who was accused
of abducting the wife of the Rev. Joseph
Luther, that gentleman failed to
put in an appearance and the defendant was
discharged. It is generally understood that
Luther received a considerable sum to pre-
vent such a trial.

An Epidemic of Typhoid Fever.
PARKERSBURG, Sept. 23.—[Special].—Typhoid
fever is raging in Morgantown. Dr. E. M.
Turner, President of the University, is said
to be doing with it and Prof. E. S. Prentiss,
Professor of Manual Training, from Massachusetts,
is dangerously ill, as is also Dr. E. H.
Courtney, a well-known man.

Tri-Late Revivants.
HARDY BLAIR, a young McKeesport lad, is
one of a small party that has discovered a
gold bonanza near Spokane Falls, Wash.

The patrons of the two fuel companies at
Rocheater, Pa., met Tuesday evening and
adopted an ultimatum to the effect that the
old gas rates must be restored or consumers
will return to the use of coal.

Facsimile is torn up over the epitement of
William Feltz, aged 21, and Miss Tillie MIL-
KIN, aged 15, daughter of a member of the
Council. It is believed that they went to
New Cumberland, W. Va., to be married.

GEORGE WATSON, a forger in the
Greenburg jail, donned false whiskers yester-
day morning and coolly walked out of
the open door. His whiskers, however, were
discovered in a few moments, and he
was recaptured on his way to the depot.

FALL, 1891.

We want every gentleman within a hundred miles of this
city to see our grand exhibit of Fine Fall Suits. You'll not
find its equal in the State. This is tall talk, but unlike much
talk of this kind indulged in by
some of our competitors it is
amply covered by facts. We've
made, in days that are gone,
some splendid showings of this
class of goods, but none that
will quite come up to the
present one.

The stock is larger by at
least \$100,000 than ever before,
and we know it to be the
largest, finest and best selected
stock of this class of goods that
this city will hold this fall.

In Business Suits we are
showing a daisy line, by which
we mean several thousand suits

at prices between \$8 and \$14. In the better grades at
\$16, \$18, \$20 and \$22 we have no competition outside of
custom work, and then it has to be custom work infinitely
better than much of the trash made-to-measure garments
for which big prices are demanded. We would like you
to take a look at some of the suits of which we are speak-
ing and tell us how you think they could be improved in
either fit or finish. We think we've got it down very fine,
but we're open to conviction. Are you?

ferent from those you see in other stores.
