Two Young California Trotters Make Wonderful Performances.

STOCKTON, CAL., Oct. 7.—The record meeting commenced on the kite-shaped track yesterday and two world's records were lowered.

The word was given first time down, Pointer having a little the best of it. Starr having noticed for the word, Gees followed his tactics of yesterday and allowed no loitering by the way.

The stallion gamely answers the call and they turn into the stretch at a terrible burst. Hal Pointer answering easily every effort of Direct. The black stallion is game, but nature cannot stand the clip.

At the second score, when they got the word, Pointer, with his back, is the personification of determination. Gees carries Direct wide at the turns and gives him a long mile at the quarter in 33 1/2 seconds.

He has several outfielders in view good enough in his estimation to fill the bill if they can be secured. It is not unlikely that he may have a talk with Joe Melvrey and Shindle, the third basemen.

THE OTHER EVENTS.

Special maten, pair, \$2.00. Hal Pointer, br. g., 2 1 1 1. Direct, blk. c., 2 1 1 1. Time, 2:18, 2:19, 2:20, 2:21.

Between races Monbars, the Eagle Bird, Lady Maud's 2-year-old, driven by Doble, was sent to beat 2:18, the record held by Sam on a 2-year-old.

Concessor, by Oswald, property of Pale Stock farm, Dr. Boller, was started to beat 2:18. He made the mile in 2:21, and demonstrated that under favorable circumstances a record below 2:18 could be secured.

Only two heats in the 2:23 pace were pulled off. They were marked by a spirited contest between Kissels Dallas, Walter Wilton and Bob Taylor.

Fifth race, one mile. Fred Tatal made a rush at the drop of the flag, and followed by Prince and Princess Lino, ran into the stretch, when Tatal stopped back. Fifth and Princess Lino then began whipping, and in that order they passed under the wire.
