

Mayor Gourley was outspoken in his belief that public officials should be properly punished for any violation of trust, without regard to party feelings. He is an advocate of vigozous methods to bring errine officials to justice, but is doubtful whether anything short of a revolution can bring about the desired state of affairs. When asked about his views yesterday he

"If the removal of Bover and McCamant will defeat the Republican ticket this fall, then I say let the Republican ticket be beaten. A party unable to stand the conviction of two of its members is not deserving of success. But it is useless to talk on this subject, no I do not believe such action would defeat our party. On the other hand, I am firmly convinced that a thorough inrestigation and prompt punishment of guilt. if there is any, are the best means of securitig the election of the Republican ticket this fall. The course of several Senators in the investigating committee has already done a great deal of harm to the party. Particularly mistaken has been the plan of action of one whom we all know.

'Avy attempt at a whitewash will bring down defent on the heads of the party lead-Abraham Lincoln said : 'You can fool some of the people all the time, and all the cople some time, but you cannot fool all the people all the time.' This applies to the present day even more than the time at thich it was spoken. The people of to-day are too great readers of the news. namera to be fooled. They have, learned enough of the situation in State finances to suspect considerably more. They feel that if the officers have been guilty of any wrong acts it is due to the party that they be punished. If, on the other hand, the officers are innocent they deserve a thorough vindicution.

FAILINGS OF THE MANAGERS.

"But it matters little what the people want. The political managers are too apt, like Louis XIV., to declare, 'I am the State," and proceed to patch things up as

The preventer is readily adjusted to plants of all description in less than 12 hours' time; causes no damage to any part of machinery and is very easily operated. It consists of a device that in operation forms hydrogen gas, which is distributed over the fires in the furnace, causing as complete combustion as the laws of nature will permit and prevents emission of smoke from the stacks. The Western Smoke Preventer Company also controls the:

> FLATTEST KIND OF A DENIAL To Consolidation Ramors, From Official of Both Traction Roads.

C. L. Magee, President of the Duquesne Traction Company, emphatically denies that the Duquesne and Pittsburg companies are to consolidate or that any negotiations are pending. When shown a statement that the rivals would come together upon Mr. Wide ner's return from Europe, October 22, Mr Magee said he knew nothing of Mr. Widener's business or future intentions.

"I know, however," said Mr. Magee, "that neither the Duquesne nor Pittsburg com panies has made any advance toward the other, or in any way indicated a desire for We are getting along very well, and have nothing to gain by consolidation." A Philadelphia telegram quotes W. L

Elkins, of the Pittsburg company, as say, ing that no negotiations are pending for a consolidation of the two roads. He say the Fifth avenue line is making no money. but that it was forced to adopt a 3-cent far for protection. Any talk about consolida-tion, he added, was manufactured out of the

whole cloth. Notwithstanding Mr. Elkins' statement that 3-cent fare is a failure, Mayor Gourley, who was spoken to yesterday, with regard to the traction war, said he believed every road in the city could afford to reduce its fare to 3 cents and still pay a reasonable dividend on the capital invested. "But by the invested capital, I do not mean the capital stock," continued the Mayor. "It is a well-known fact that every road in the city has its stock successful. road in the city has its stock watered to almost double the cost of the road and roll-

 ou caus sardines in oil.

Major McKinley's Magnetism

Frank Miller, a commercial traveler, who has just completed a tour of Ohio, was in the city yesterday. Speaking of the Buckeve campaign he said: "McKinley will have a majority of from 30,000 to 40,000 No one outside the State knows anything about how magnetic that man is, or how he has fixed humself in the hearts of the people. In fact, many Campbell people have deserted their own candidate and are devot-.98 ing their energies to the Legislature. Find-85 lay, a Democratic stronghold, will go Republican on account of Governor Campbell's statements regarding the glass industry. But it is a lively campaign." 20

Mr. Solomon Has a Denial.

Mr. K. Solomon, of the Solomon-Ruben clothing combine, said last evening that he wished it emphatically denied that they ever offered one cent for the McCloy lease to anybody. He added that they knew when they secured the adjoining property that they couldn't get the McCloy building for a year to come. Thereafter they will have the property. Mr. Solomon also never said they would have to postpone building operations. "In fact," said he, "we will be doing business in our new mammoth building next August."
