DRESS GOODS.

A perfect Dress Goods stock, as we unhesitatingly pronounce ours to be, needs no qualifying adjectives. You will find our buyers have far outstripped your own conceptions of Dress Goods, but you will find that these great stocks have been bought to please particular tastes as well as to educate.

We call special attention to the fact that while this department contains absolutely every desirable new weave and shade produced this season in all popular lines of goods, it is especially notable for carrying all the hard-to-get kinds in such great variety that everybody must find something to suit them exactly in one or other of the great assortments.

In the rough sorts of Dress Goods there never was such a gathering. From the one-color rough faced stuffs to the boldest designs, with a half dozen different shades, blended in rich profusion, in plaids and stripes and figures; there are hundreds of styles you never saw before.

There are Camel's Hair Diagonals and Camel's Hair Cheviots and Chevrons, and Camel's Hair Novelties in endless numbers of styles of stripes, plaids and figures, in rich array of colors—qualities ranging in price from 75c to \$3 a yard.

We open 25 pieces of new Bedford Cords to-day—Greens, Browns, Tans and Grays, all the asked-for shades, \$1.50 to \$2.50 a yard.
