

ABUSIVE IN DEGREE GENIUS.

Matthew Marshall's Explanation of the Flaws in Tilden's Will.

HOW THEY ALL CAME TO CREEP IN.

His Philanthropic Schemes Now Irrevocably Frustrated.

A GENEROUS MAN NOT A THRIFTY ONE

(SPECIAL TELEGRAM TO THE DISPATCH.)

NEW YORK, Nov. 1.—Matthew Marshall writes as follows for the Sun of to-morrow: The decision of the Court of Appeals in the Tilden will case, declaring invalid the carefully drawn section of the will providing for the disposal of the bulk of the testator's great fortune for charitable purposes, adds one more to the already long list of failures of testamentary benevolence through legal mistakes. What Mr. Tilden's great fortune for charitable purposes, adds one more to the already long list of failures of testamentary benevolence through legal mistakes.

Tilden as a Drafter of Deeds. Much surprise and amazement has been excited by the fact that an experienced and able lawyer like Mr. Tilden did not succeed in drafting in a valid and effectual manner an instrument involving interests so important to himself and to the public. He had been renowned as one of the most sagacious and well-informed chancery lawyers not only in New York, but in the whole country.

Some of the Sage's Peculiarities. Mr. Tilden was pre-eminently wise in discerning all the possibilities of disaster that were involved in any proposed course of action. It might be said, however, that he was not Mr. Charles O'Connor, that he could devise a much more complete argument against his own side of a case than his adversary could.

Germany is preparing to increase its navy... Clubs and blackthorns getting in their work in the Cork campaign... Monte Carlo has a prosperous season.

FOR NEUROSTHESIS. Use Horsford's Acid Phosphate. Dr. W. C. Hanson, Minneapolis, Minn., says: "I used it in a case of acute rheumatism, during convalescence, the particular symptoms I wished to relieve were sleeplessness and nervousness, and the results were all I desired."

BLAINE IS HERE. Up the Busy Valley Bristling With Factories. A delightful and beautiful location, two railroads, a navigable river, rich fields of coal and gas, elegant water, fertile country, populous, prosperous and refined district.

25,000 Yards of Ribbons. Millinery ribbons at 25c, reduced from 50c, 60c and 75c a yard; at 50c from 60c and 75c a yard; at 75c from 80c and 90c a yard.

The Farmers' Deposit National Bank. Invite the public to call and examine their new safe deposit vaults. Information concerning renting of boxes and deposit of valuables cheerfully given.

DR. PRICE'S DELICIOUS Flavoring Extracts. NATURAL FRUIT FLAVORS. Of perfect purity. Of great strength. Economy in their use. Flavor as deliciously and deliciously as the fresh fruit.

The Respect for Natural Rights. Every one I have spoken with on the subject is well satisfied to have Mr. Tilden's property pass into the hands of his nearest blood relations. The feeling to the contrary, in fact as it exists, if it exists at all, arises from a mistaken idea that to dispose of property by will is a natural right and should be respected accordingly.

A CALIFORNIA BOODLE SCANDAL.

San Francisco, Nov. 1.—Senator W. H. Williams, of San Francisco, has been summoned to appear before Superior Judge Wallace for contempt in refusing to answer questions put to him by the grand jury as to whether he received money for his vote during the session of the last State Legislature on the Senate bill to reassess certain railroads in California.

JUST BEFORE THE BATTLE.

REVIEWS OF THE STATE CAMPAIGN IN SUNDAY'S DISPATCH.

Not Only All the Political News, but the Best Record of All Other Current Events Attainable in Pittsburgh—A Complete Magazine Resides.

With the political campaign just drawing to a close, with the insular standing with Chile, with the Quay controversy, with a campaign of blackthorns in Ireland and with the mining troubles in Tennessee, there are stirring times both at home and abroad.

Local. Quay testifies as to the Bardley certificate. Quaint charges are made against the Mayor and Chief of the Department of Public Safety of Allegheny.

Domestic. Work in the Navy yards is being pushed to get vessels ready for sea.

Foreign. Germany is preparing to increase its navy... Clubs and blackthorns getting in their work in the Cork campaign... Monte Carlo has a prosperous season.
