The News From Below.

A few hasty words before breakfast spoils the entire day.

It may be you can see in the above decided misunderstanding between the twain that should be as one. Do you ever arise with an extreme bad taste in your mouth? It may be you are severely constipated,

troubled with indigestion. No appetite for breakfast. Feel hot and flushed. You feel either low spirited, or you display a nasty tem-

per. Destroys the good feeling of your home. These are different ways that Na-

ture has to tell you that she has been outraged. Nature gives you fair notice that

she requires assistance. Read what the renowned Chemist. Baron Von Liebig, says:

"It is more than probable that the main specific and most important action of Carlsbad Sprudel Salts, the so-called solvent and liquifying ac-

ion is dependent upon the alkaline constituents. We know the bile to be a saronaceous, that is an alkaline, combination, and that the physiologvical use of the bile is to free the system from its superfluous fats. Now, what Nature accomplishes in its normal

state, we produce artificially by the use of Carlsbad Sprudel Salts.' This remedy is sovereign. It has

been used in its original shape by emperors, kings, statesmen, poets, etc., for 500 years. Every drug store has them. The genuine has the signature of "Eisner & Mendelson Co., Sole Agents, New York," on the bottle. Begin to use them to-day. Pleasant
