# TO CONDEMN THE ROAD.

The Birmingham and Brownsville Pike to Be Declared Free-Reports of the Board of Viewers-Wants Damages for His Boy -General Court Notes.

The special committee to whom was referred a resolution for the doing away with the tollgates on the Birmingham and Brownsville turnpike road at the head of South Eighteenth street, met yesterday afternoon. City Attorney Moreland stated there were two acts covering the point at issue. The act of 1885 gives, the citizens the right to petition court to do away with toll roads, while the other act gives the city the power to condemn such roads within the limits of the ity. The number of people inside the city limits using the road was not commensurate with the number living outside the city limits, so that it would not be fair for the city to condemn the road. The solution of the question lays with the people themselves. There was no question but what it was a hardship, and should be gotten rid of. J. Phillips, a property owner, stated that the road was kept in a horrible condition,

and in winter was almost impassable. It was decided to recommend that Councils proceed under any act they see fit to

have the road condemned as a nuisance, or have it placed in a proper condition. This was adopted.

## A Case on Excursion Tickets.

The jury is out in the suit of Lizzie Huchel ad Mrs. E. P. Malone against the Pittsburg and Lake Erie Railroad Company. The case put off a train. They purchased round-trip coursion tickets to Allequippa. On their eturn they alleged the conductor said their return they alleged the conductor said their tickets were not good on that train. He put them off at Shannopin and they were com-nelled to walk to the city. A storm came up and they got wet and were ill in comse-quence. The conductor claimed that the women wanted stop-over privileges and be-cause they were refused would not give up their tickets or pay their fares. He then had to put them off the train.

### Want a New Administrator.

A petition was filed in the Orphans' Court resterday by Nancy McElhaney and Sarah Ann Carrick, asking for the removal of James H. Whittaker as administrator of James H. Whittaker as administrator of the estate of their father, James Hawkins. The estate consists of a farm of 47 acres in Mifflin township, near Munhall, to which the three are the heirs. Hawkins proposes to sell it at public sale despite the objections of his sisters, who claim that it is not a propilitous time to sell, and that a good price could not now be obtained. They therefore ask for his removal as administrator.
