ON FIRE WITH ECZEMA

Terrible sufferings of Little Baby. Seven Doctors and Two Hospitals Fail. Cured by Cuticura.

My baby boy, 5 months old, broke out with eczema. The itching and burning was intense; the eczema spread to his limbs, breast, face, and head, until he was nearly covered; his torturing agonies were pitiable to behold; he had no peace and but little rest night or day.

He was under treatment at different times at two hospitals and by seven doctors in this city without the least benefit; every prescription of the doctors was faithfully tried, but he grew worse all the time. For months I expended about \$2 per week for medicines and was entirely discouraged. I purchased CUTICURA, CUTICURA SOLVENT and CUTICURA EXOLVENT and followed the directions to the letter. Relief was immediate, his skin and rest and sleep returned. He steadily improved and in nine weeks was entirely cured, and has now as clear a skin and as fair a complexion as any other child with eczema. I recommend every mother to use it for every Baby Hamour.

KNOW ME BY MY WORKS.

Catarth, Parasites and Cancer a specialty and all chronic diseases treated with success. I can show more sound well-cures of the so-called incurable ailments than all others. Evidence that cannot be denied. March, 1887, I was called in haste to the supposed death bedside of Dennis Burgoon, of Corsica, Jefferson county, Pa., a man near 50 years of age. His affliction, although properly diagnosed by the best skill, yet pronounced incurable, and not the slightest hope or chance for his recovery. I took the case, as I have taken hundreds of others, and there he is to-day, Dennis Burgoon, my father, living in Brookville, Jefferson county, Pa., a living monument of what Dr. Burgoon's System Renovator will do, for it was System Renovator that did it. And the case of a child of Mr. Krebs, of Asubula, Clearfield county, Pa., given up by five or six doctors as incurable, it is well. Burgoon's System Renovator cured it. And still another near Meadville, Pa., a child 7 years old, had been sick for two and one-half years. The disease baffled all the physicians until they pronounced her incurable and said she could not get well. It was cured with System Renovator. And still another, a lady in Franklin, Pa., a most remarkable case. After she had spent thousands of dollars the verdict of the leading physicians of her own and of those in Pittsburg, New York, Buffalo and a number of other cities was, you cannot get well. She came to me as a last resort and was cured. Her name is Catherine Lynch and she will substantiate all that we say and will tell you that Burgoon's System Renovator is a life saver. Now, good people, there is not space in this paper to mention all such cases that Burgoon's System Renovator is a compound of 19 different roots and herbs that work in harmony on the human system, the stomach, Liver, Kidneys, Bowels, Nerves and Blood. It has worked wonders, it is working wonders, it has no equal. I defy the world to beat it. It is a life saver. Go to your druggist and get it. It will save you money, save your sufferings, and save your life. Grippe is coming, prepare for it. I cured four cases last week, and of the several hundred cases that I had last year I did not lose one. To all you that cannot come to my office, if you send me \$1.00 I will send you a Printed Prescription. If used according to directions, I warrant it to cure grippe in all its forms. Call at my office, No. 47 Ohio street, Allegheny, and see living evidences of the good work done. Testimonials of representative citizens from all parts of the country are on file and open for your inspection. Office hours from 8 A. M. to 8 P. M. Hours for consultation, 8 A. M. to 2 P. M.
