Catarrh, Parasites and Cancers a specialty and all chronic diseases treated with success. I can show more sound well cures of the so-falled incurable aliments than all others. Evidence that cannot be denied. March, 1801, I was called in haste to the supposed death bedside of Dennis Burgoon, of Corsica, Jefferson county, Pa., a man near 80 years of age. His affliction, although properly diagnosed by the best skill, yet prouounced incurable, and not the slightest nope or chance for his recovert. I took the case, as I have taken hundreds of others, and there he is to-day, Dennis Burgoon, my father, living in Brookville, Jefferson county, Pa., a living monument of what H. Burgoon's System Renovator will do, for it was System Renovator that did it. And the case of a child of Mr. Krebs, of nubois, Clearfield county, Pa., given up by five or alx doctors as incurable, it is well. Burgoon's System Renovator cured it.

And still another near Mendville, Pa., a child 7 years old, had been sick for two and one-half years. The disease baffled all the physicians unif years. The disease baffled all the physicians and for the case. After she had spent thousands of dollars the verdict of the leading physicians of her town and of those in Pittsburg. New York, Buffalo and a number of other cities was, you cannot get well. She came to me as a last resort and was cured. Her name is Catherine Lynch and she will substantiate all that we say and will tell you had a furnity of the case hat Renovator has cured. System Renovator is a compound of 19 different roots and herbs what work in harmony on the human system, the Stomach, Liver, Kidneys, Bowels, Nerves and Blood, It has worked wonders, it is working wonders, it has no equal. I defy the world to beat it, it is a life saver.

Go to your drugstore and get it, it will save you morey, save you sufferings, and save your life.

Kaufmanns' Sixth Annual Distribution of Illustrated Books.

ALL THE CHURCHES REMEMBERED. A Feature Which Brings Joy to Fifty

Thousand Little Ones. More Than \$5,000 Now Expended in This Work-The Growth of the Dist

in Six Years-Approved by the Leading

Ministers-The List of Recipients. There were many presents given and taken throughout Alleghenv county yes-terday, but there was one feature which, besides giving additional brightness and joy to the evanescent day, will be remembered with gratitude and pleasure throughout the entire year, and will even stretch to some extent through the years which are to fol-low. The one Christmas gift which is at the same time useful and instructive, as well as pleasing and ornamental, is a handsome and entertaining book, illustrated in a man-

ner to place the solid contents before the reader in the most attractive manner.

Yesterday was the occasion of Kaufmanns' sixth annual free distribution of picture books to the Sunday schools of the churches of Pittshurg, Allegheny and surrounding towns. The steady growth of this noble enterprise

The steady growth of this noble enterprise

Good Templars, Christian Mission, Forty-Royal Content of Conten has been truly remarkable. Six years ago only 10,000 volumes were distributed, while yesterday five times that number, or 50,000, were required to meet the demands of the work. Each book contains 32 pages, beau-tifully illustrated, and with neat covers. The cost of the books cannot be less, but very likely more than 10 cents. This would swell the cost of this year's distribu-

A big amount, to be sure! Yet very small in the opinion of Kaufmanns, when they consider the result—50,000 happy chil-

While these gifts were made entirely unsolicited, many letters have been received from the ministers of churches and the superintendents of Sunday schools, praising the methods adopted and the results secured. They tell of the joy with which the children receive the presents, and the brightness which the books cause in many a home. The little ones themselves express their pleasure in the most enthusiastic language, and Kauffmanns is to them a word synonymous with Santa Claus. The number of books received by each church ranged all the way from 25 to 1,000, according to the size of the church,

and the other attendant circumstances.

Some so-called "philanthropists" seek to connect their deeds with the greatest possible amount of notoriety. No so Kaufmanns. They try to avoid it. Instead of advertising this free distribution of books in the newspapers, they simply and quietly mailed circular letters to the ministers of the churches, asking them the number of books required for their respective Sunday

The distribution was made yesterday in an unosigniations but pleasant manner, and the gifts were received in the same commendable spirit. The following is the com-plete lists of the churches which were the recipients of Kaufmanns' bounty:
