Samuel B. Griffiths, Esq., of Mercer county, yesterday presented to Judge Reed, of the United States District Court, a petition for a mandamus on Albert Glenn, postmaster of Sandy Lake, Pa., to compel him to deliver to the petitioner the mail addressed to the Economical Mutual Benefit Association of Sandy Lake, Pa. Griffiths is receiver of the association, which became Insolvent some time ago. It is stated that the receiver has ascertained that during the eight or ten years the company was in operation there was paid to it between \$400,000

and \$500,000. Of this amount, however, he has only been able to discover what has be-

come of about \$150,000, and necessary books and papers have disappeared.

In the meantime, it is stated, complaints had been made to the postoffice department that the company was using the mails in a scheme to defraud. The Postoffice Examiner was put to work on the case, and after looking over the ground, he directed the postmaster at Sandy Lake not to deliver the postmaster at Sandy Lake not to deliver to the company or its officers any of the mail addressed to it, but to hold it pending a further investigation. The postmaster obeyed instructions, and quite a lot of mail for the association has accumulated in the postoffice. It is at this juncture that Re-ceiver Griffiths, desiring to obtain all in-formation possible about the affairs of the sociation, and if possible, ascertain what has become of the money paid in to it, pre-sents his petition for the mandamus on the postmaster. He wants delivered to him all nail addressed to the association or C. B.

Fulton, Secretary of it. When Mr. Griffiths presented his petition Judge Reed said he was in doubt as to whether the Court had jurisdiction to grant the petition. He directed Mr. Griffit's to present to the Court the law authorizing Court to act in the matter. Mr. Griffiths accordingly withdrew his petition and started out to look up authorities. He will likely again present the paper to-day, when it will be resisted by United States District Attorney Lyons.

Charles D. Carter yesterday filed an an swer to the suit brought against him by F. T. Lusk to recover \$160 16 on a promissory note. Carter states that Lusk is a general agent for the Mutual Benefit Life Insurance Company, of Newark, N. J. J. F. Carey, an agent employed by Lusk, wanted Carter to get his life insured in his company. Carter carried a \$10,000 policy in the National Life Insurance Company, of Vermont, and said he could not afford to carry more. Carey, however, it is alleged, got Carter to show him the policy and pointed out silleged de-fects, etc., in it, and told him he had been deceived as to the rights and benefits he

Upon this Carter agreed to let the policy lapse and take out a new one in Carcy's company. He let it lapse and gave Carey the note for \$169 16 for the first semi-annual premium on the policy. The contract was not to be valid till the cash was paid. In the meanwhile the agent of the National Company saw Carter and, showing him the books, etc., convinced him that Carey had deceived him. He then had his old policy remistated and let the second policy lapse. He now claims that value received was not given for the note, and claims damages by reason of the deception practiced on him as a set off against it. Upon this Carter agreed to let the policy

With Rev. J. W. Young on the Subject of

HONORS FOR DR. REID.

Home Mission Collections. MONONGAHELA PRESBYTERY MEETING

The meeting of the Monongahela Presbytery of the U. P. Church yesterday was a lively one. Everything went well until the report of the financial agent was read. The report was a very lengthy one, and to save time Rev. Mr. Sands had prepared a brief synopsis, which he asked permission to read. His request was granted, and mong other things he said the report recommended an increase in the contributions of "certain" congregations, for missionary purposes. This remark seemed to sting Rev. Dr. Barkley to the quick. He took it as a rebuke directed at a "certain" congre-

as a rebuke directed at a "certain" congregation. "The report is misleading," he began. "It is a misstatement of the facts, and I move that that portion be eliminated from the minutes."

Then followed a long wrangle over the question. Rev. Mr. Wallace thought the offensive synopsis should be stricken out of the minutes because he said it was a slap at the Eighth Church. The vexatious paragraph was reread, and upon vote of Presbytery Sands was warmly sustained. Thus what might have proved a very destructive storm was quelled in its inception.

Dr. Reid Elected a Delegate.

Dr. Reid Elected a Delegate.

The Presbytery went into an election for delegate to the General Assembly, which meets in Allegheny in May. The following members were selected: Dr. W. J. Reid, Dr. J. W. McClurkin, Dr. J. G. Brown, Rev. J. A. Donthett, Rev. F. A. Hutchinson, Rev. W. E. Paxton. The elders selected were Graham Scott, P. B. Douglass, J. W. Robb, Robert M. McKnight, James Walker and James Harrison.

Rev. Mr. McCrory offered some objections to a resolution looking to collections for the Home Mission debt, during which he remarked that his church had not taken up any collection for the object and gave the reasons therefore, which were that the congregation had already been severely taxed for other matters and that his congregation annually contributed about three times its quota for missions. Dr. Reid Elected a Delegate.

One Clergyman Becomes Sarcastic, Rev. J. W. Young, went after Mr. Mc-Crory in a very sarcastic manner and re-minded him of a speech made some time ago in which he advised Mr. Young's con-gregation to obey the injunctions of the Presbytery. The speaker thought that Mr. McCrory should obey the request of the General Assembly.

McCrory should obey the request of the General Assembly.

The resolution was finally adopted. The Committee of the Board of Church Extension recommended that a new lot be purchased for the church in Chartiers township, and that they be given financial aid. In support of this Rev. W. E. Paxton, pastor of the church at Chartiers, called attention to the very unsurer results of tention to the very unsavory reputation of that locality, and used it as an argument in favor of the committee's recommendation. Mr. Paxton said there was no need to go to Mr. Paxton said there was no need to go to Egypt to look for heathens, and that the place was even worse than Utah. There had been within a few years nine murders down there, riots and street brawls were frequent, while chieken and dog fighting were almost daily occurrences.

The matter was finally referred to the Committee on Church Extension with power to act, after which the Presbytery adjourned.

SALEM, MASS., March 28, 1801. When at Stuttgart, Germany, during the Winter 1881-82, I was suffering from a severe attack of Bronchitis, which seemed to threaten Pneumonia. I met, at the Hotel Marquardt, Commander Beardslee, of the United States Navy. In speaking of my sickness, he remarked: "Doctor, you can cure that chest trouble of yours by using an Allcock's Porous Plaster." "That may be true," I answered, "but where can I get the plaster?" "Anywhere in the civilized world, and surely here in Stuttgart. Whenever I have a cold, I always use one and find relief." I sent to the drug store for the plaster, and it did all that my friend had promised. Ever since then I have used

it whenever suffering from a cold, and I have many times prescribed it for patients. The Allcock's Plasten is the best to be had, and has saved many from severe illness, and undoubtedly, if used promptly, will save many valuable lives. Whonever one has a severe cold he should put on an Allcock's Plasten as soon as possible. It should be placed across the chest, the upper margin just below the neck; some hot beef tea, or milk, will ald in the treatment-This is not a patent remedy in the objectionable sense of that term, but a standard preparation of value.
