gram was changed, and he was sent to South Carolian instead of New York. Tobin was awarded damages by the lower court, and this the Supreme Court sustains. The judgment of Common Pleas Court No. 2 was allirmed in the case of Caroline Davies vs Felix McKnight et al, appellants. In the lower court damages were awarded Mrs. Invites for the death of her nusband, Robert Davies, to whom liquor had been sold at McKnight's saloon. Davies became intoxi-carde, left the saloon, tell into the gutter and died from injuries superinduced by the and died from injuries superinduced by the he opinion of the Supreme Court stated

that McKnight was responsible under the act of Assembly for selling to an intoxicated man; that while the liquor may not have caused the death yet it caused Davies to fall chursed the death yet it caused parties to fail into the gutter where he was exposed, and upon this ground affirmed the judgment of the lower court in favor of Mrs. Davies. In the case of Tunney vs Carnegie Bros. & Co., Limited, Justice Williams gave an opin-tion reversing the decision of the lower ion reversing the decision of the lowe court in awarding \$1,000 damages to Tunne for the denth of his son.

### STRIKING AT BIGELOW.

Mayor Gourley Anxious to Cut Down the. Millage-Brown's and Elliot's Figures Will Be Left Alone.

Mayor Gourley, Controller Morrow and Chief Bigclow held an extended conference in the Mayor's office yesterday afternoon relative to the amount of money to be aphas decided to prune down expenses as much as possible. It appears that the Public Works Department is the only place where he will have an opportunity to do any cutting without impairing the service in the various d epartments. Chief Brown's estimate of his expenses for the year was so modest that surprise was expressed gener ally that he had not asked for more, and i is not likely that any reduction will be at-tempted in his appropriation. Controller Morrow is quoted as saying that he could not see how Chief Brown could run his de-partment on the money asked for and at the same time make the improvements in the way of new engines, a water tower and increasing the fire service generally as he has been ordered by Councils. Chief Elliot's estimate is the same prac-

tically as it has been for years, and no effort will be made to eliminate any of its features. Chief Bigelow asks for \$535,224 more than he received last year, but there is such a general clamor for improvements that, while he desires to cut down as much as possible, he finds he can't do it without cutting out some desirable improvement. His estimate includes about \$400,000 for street repaying. This amount is equivalent to 2 mills tax on a valuation of \$200,000,000, which the city is expected to reach or exceed this year, but to repair all the streets ceed this year, but to repair all the streets that need it would require a million. The Mayor desires Chief Bigelow to cut down his estimate to what it was last year, and the conferences of the Mayor and the Chief that have been held the past few days are for that purpose. Several cuts have already been made, but they are not extensive, and it is doubtful if the Mayor's object can be sttained before next Monday, when his message to Councils will be due.
