Should the Oak alley property be secured the question will arise, whether the city will erect a new building or adapt the old one to prison uses. No Money for a New One. "The erection of a new Central station building is entirely out of the question for the coming year. There is no way to raise the noney necessary for such an improve-ment. A municipality, like an individual, often wants more than it can have. We could spend \$1,000,000 on street improve-ments next year and \$200,000 on a new Central station, but we haven't got the money. I have not talked to Chief Brown on this subject, but I understand he has not contenuplated putting up a new build-ing, but simply renting the place and using the old church for a police station." "If Chief Brown desires to erect a new police station." said Controller Morrow.

The Chief has asked for no money to build such a structure, only re-questing \$15,000 to rent a suitable place. I don't know but what it might be just as well to pay for a new building next year as

the year following." Chief Brown is confined to his bed with a severe cold, and could not be seen yester-
