

A BORDENSONE TASK

For Chile to Explain an Apparent Disparity in Two Reports That Have Been Made About

THE VEXED BALTIMORE AFFAIR.

Bering Sea Negotiations Not Proceeding as Smoothly as They Should in Order to Be Successful.

HITCH IN CHOICE OF ARBITRATORS.

Little if Any New Work on Rivers and Harbors to Be Undertaken for Now.

WASHINGTON, D. C., Jan. 9.—

There can be no doubt of the fact that the administration received with disappointment the dispatch yesterday from Senor Pereira, the Chilean Minister of Foreign Affairs, through Minister Montt.

ONE TANGIBLE ADVANCEMENT MADE.

Upon further consideration, however, it appears that the Chilean judicial officer corresponding with the district attorney on legal practice, instead of a statement that might be regarded as an apology for the attack on the crew of the Baltimore.

RIVER AND HARBOR WORK.

Little, if Any, New Improvements Will Be Undertaken This Year.

WASHINGTON, D. C., Jan. 9.—

The House Committee on Rivers and Harbors effected an organization today. There has been some informal discussion among members with reference to the policy to be pursued by the committee in the river and harbor improvements.

A REASONABLE TIME TO WAIT.

Minister Montt's statements warrant the assumption that the trial is to begin immediately and it is clearly apparent that the necessity of Chile to have the trial moved forward with proper expedition, and that there is fair ground to expect an apology from the United States will doubtless continue to await the result for a reasonable length of time.

A DISPARITY TO BE EXPLAINED.

A grave disparity is to be noted between the findings of the Chilean District Attorney and the testimony collected from the Baltimore people concerning the attack on the vessel. The reports of the medical officers of the vessel were reached in the Navy Department, Medical Inspector Cole, reporting on Riggins's death, says:

TWO REPORTS THAT DON'T FIT.

The disparity referred to is evident, when it is noted that Minister Pereira's dispatch says that "only one isolated shot was fired; it was from a revolver. The police entry Colombian carbines." The medical officers' report says Riggins was killed by a rifle ball; that other men received bayonet wounds; that Turnbull was 18 or 20 times stabbed in the back while lying unconscious on the deck.

IMPORTANT TESTIMONY AT VALLEJO.

A telegram from Vallejo, Cal., says: Today was the third of the investigation into the attack on the sailors of the Baltimore. Judge Advocate Remy presided, District Attorney Garter being absent. Nearly all the crew have now testified, and Monday the officers will probably take the stand.

ATTACKS AT FOUR PLACES.

There were at least four different localities where some men over a mile apart, where attacks on the sailors were made simultaneously. The part played by the Valparaiso police and soldiers becomes more and more evident daily.
