denied desiring to domineer over the Lib-erals. It was the Liberal coalition, he said, that aimed to domineer over the Govsaid, that anised to commer over the Gov-ernment. The National Liberals designed to use the bill as a lever in forming a great Liberal party. "But," he added, "I ac-cept the conciliatory attitude of to-day's party organs, and I now think the menace to create an opposing coalition only a soap bubble that has already burst."

Dr. Friedburg, a National Liberal, reply-ing to the Chancellor, said that a coalition against the Government was a mere hypothesis. It might happen if the defense of religious liberty threw the parties together.

Herr Richter, the Freisinnige leader, deelared himself opposed to any compromise. It was impossible, he said, to alter the

measure so as to make it acceptable. If ever it became a law it would prove useless time the news spread through the suit with a remarkable history was it would ruin education and would place closed to-day, by the payment of the schools under the rule of ecclesiasts ogmatic creeds.

present Caonet at least three bi-metallists more or less prononneed, the moment is singularly propitious for asking the British Government to take part in an international currency congress. If, as it is stated here, such an invitation has already been sent, is will almost astronal to be a state of the will almost certainly be accepted; and it is equally sure that a Liberal Government, which may be in power a few months hence, will have nothing to do with anything

which savors of bi-metallism. Excitement in the Financial Wor'd.

Some excitement prevails in the financial world over the announcement that the Austro-Hungarian Government has decided to proceed forthwith with a scheme of cur-rency reform which will require £20,000,000 ingold to effect. As most of this will have to come from London, a special agent has been sent over to talk over the matter with Mr. Goschen, who is not in an amiable mood just now. But the agent has been in-structed to meet the wishes and con-veniences of the British Government and financiers as far as possible, and doubtless the desired loan will be arranged. The

ugi Daily News, however, thinks the agent's reception will hardly be a cordial one. It savs:

In the first place, the present condition of business is not such as to make it at all de-simile to give a foreign country fresh power to withdraw gold from London. 'Even if a Similie to give a foreign country if eas power to withdraw gold from London. Even if a loan were concluded on the continent, Lon-don would be called upon to supply the gold required. As to such silver as Austria has on hand it appears that the Government of the dual monarchy has made no definite offer to the United States Treasury, and the proposal to sell Austrian silver in New York seems to have been put forward tentatively. In other words, it was a sporting offer, for the burgase of elleting the views of the American Treasury in case an opportunity to carry through the exchange of Austrian silver for American gold should arise. The amount of surplus silver held in Austria Hingary is believed to be between 30,000,000 and 50,000,000 florins. It is a pity that the opportunity is not taken to introduce in-stend a silver standard, but in any case the present proposition is not one which would the out on an of the set of the standard, but in any case the present proposition is not one which would

Gripp yesterday, charged with obtainin \$75 from N.S. Snyder, of the Keystone Hotel on false pretenses and forging the firm name of P. O. Nally & Co. on a \$50 check. He was committed for court in default of \$500 ball on the first charge and \$1,000 on the

More Pots to Be Started.

Twenty new pots will be started in the Charleroi plate glass factory to-day. Next Sunday 20 more will be put in operation. This will make 80 pots in all, and the plant will then have a capacity of 200,000 square feet per month. M. J. Alexander, one of the firm, says their business is better than they expected at this time of the year. The obbers are making a redhot fight for lower prices, but the manufacturers are determined not to yield.

PSORIASIS 20 YEARS

Body a Mass of Disease. Suffering Fearful. All Thought He Must Die. Cured in Six Weeks by Cuti-

cura Remedies.

I have been afflicted for twenty years with an obstinate skin disease, called by some M. D.s Psoriasis, and others Leprosy, commencing on my scalp; and, in spite of all I could do, with the help of the most akillati doctors, it slowly but surely extended, until a year ago this winter it covered my entire erson in the form of dry scales. For the last three ars I have been unable to do any labor, and suffering intensely all the time. Every morning there could be nearly a dustpanial of scales taken from the sneet on my bod, some of them half as harge as the envelope containing this letter. In the latter part of winter my skin commenced cracking open. I tried everything, almost, that could be thought of, without any reflef. The 12th of June I

thought of, without any relief. The 12th of June I startied West, in hopes I could reach the Hot Springs, I reached Detroit," and was so low I Hought I should have to go to the booptial, but final-by got as far as Lansing, Wien, where I had a shire Ilving. One Dr. — treated me about two weeks, but did me no good. All thought I and but a short time to live. I earnestly prayed to die. Cracked through the skin all orga my back, across my rike, arms, hands, limbs; feet badd swolled; toe-mails came off: inger-nails dead, and hard as a home: hair dead, dry, and Hields as old straw. O my God how I did suffer. My sister, Mrs. E. H. Pavis, had a smal part of a box of CUTICHA In the home. She wouldn't give my said, "We will try CUTCHS." Some was applied on one hand and arm. Enreks! there was relief; stopped the perilsbearing substitution the word go. They immediately got the CUTICHA. CTH URA RESOL. immediately got the CUTICUEA, CUTICUEA, REACHARDER, RECOL-VENT, and SOAP. I commenced by taking one tablespoonful of RESOLVENT three times a day, after means; had a bath once a day, water about hood heat; need CUTICUEA SOAP freely; applies CUTICUEA morelagy and evening. Result; refarmed to my home in just six weeks from the time Lieft, and my skin as amount as this due to the
