

STILL HOLDING BACK.

Not Very Much Chance of an Early Settlement of the Tax Levy.

APPEALS NOW COMING IN SLOWLY.

The Revisionists' At Falls Lightly on the Big Values.

WESTINGHOUSE FIGURES A LITTLE OFF

People are wondering now when the city assessment will be completed and when the appropriation ordinance will ever be passed. The delay in getting the Fourteenth ward assessment made and the fact that two members of the Board of Assessors are laid up in bed, makes a bad complexion at the present stage of the game.

It is even hinted that the illness of the assessors is part of the scheme to delay the city's business at this important time, but this suggestion is manifestly unjust to those officials.

Assessors are Really Sick. It is even hinted that the illness of the assessors is part of the scheme to delay the city's business at this important time, but this suggestion is manifestly unjust to those officials.

Reduction on Penn Avenue Property. It was learned yesterday that in the Ninth ward revision the board has reduced the valuations on 100-foot depths as follows:

On Penn avenue, from \$200 to \$150 per front foot; Twelfth to Thirteenth streets, from \$300 to \$250 per front foot; Thirteenth to Fourteenth streets, from \$200 to \$150 per front foot.

In the Twelfth ward a reduction of 30 per cent in property depths, fronting on Penn avenue, has been made.

In the Twenty-fifth ward, the following reduction in property depths has been made for Carson street, allowance made for shorter depths:

From Twenty-first to Twenty-second streets, \$200 to \$150 per front foot; Twenty-second to Twenty-third streets, \$150 to \$100 per front foot; Twenty-third to Twenty-fourth streets, \$100 to \$50 per front foot.

Don't be hoodwinked by dealers who pretend that they can sell Dr. Pierce's medicine at less than those long-established prices.

There are more ways than one to make a profit, even at "cut prices." Unscrupulous dealers tamper with the bottles, or sell empty ones and such mixtures can be sold cheaply.

Can anything else, at any price, be really as cheap? You pay only for value received.
