

NEARLY 100 SHORT
Of the Number of Applications Filed
This Time Last Year.
A BIG RUSH IS EXPECTED TO-DAY.

List of Those Who Yesterday Announced
a Desire to Sell Liquor.
MANY FAMILIAR NAMES TO THE FRONT
There were 236 people in Allegheny
county who yesterday expressed a willingness
to accept the credentials that will entitle
them to dispense the cup that cheers
during the coming year. It cost them each
\$5 to file an application, but there was
no grumbling. Some of them had entered
the License Court lottery since the
name of Brooks became so
familiar in Pennsylvania, and a few have
always played a losing game. The applica-
tions have been prepared with unusual care
this year and in only a few were mistakes
noticed. On the corresponding day last
year 183 applications were filed.

The total number now in is 1,490, about
100 less than at the same time last year.
The entire number last year was 1,978.
This is the last day on which applications
can be filed. The office of the Penn. State

What Can Cuticura Do
For Baby's Skin, Scalp, and Hair
Everything that is cleansing, purifying, and beautifying for the skin,
scalp, and hair of infants and children, the Cuticura Remedies
will do. They afford instant relief, and a speedy cure in the
most agonizing of itching and burning eczemas. They clear the skin
of the most distressing of scaly, crusted, pimply, and blotchy humors.
They cleanse the scalp of dandruff, scales, and crusts, destroy micro-
scopic insects which feed on the hair, and supply the roots with
energy and nourishment. They prevent inflammation and clog-
ging of the pores, the cause of pimples, blackheads, rashes,
red, rough, and oily skin. They heal rough, chapped, and fis-
sured hands, with itching, burning
palms, painful finger-ends,
and remove the cause of shape-
less nails.

Thus, from the simplest baby blemish to the most torturing and disgusting diseases
of the skin and scalp, even when complicated with hereditary or scrofulous taints,
these great skin cures, blood purifiers, and humor remedies, are equally successful.
Everything about them invites confidence. They are absolutely pure, and may be
used on the youngest infant. They are agreeable to the most refined and sensitive.
They are speedy, economical, and unfailing.

For Baby's Skin, Scalp, and Hair, use that greatest of Skin Purifiers and Beautifiers, as well
as most and sweetest of toilet and nursery soaps, the celebrated CUTICURA SOAP. The only
medicated toilet soap and the only preventive of inflammation and clogging of the pores, the cause
of pimples, blotches, rashes, rough, red, and oily skin. Safe greater than all other skin and complexion
soaps combined. Sold throughout the civilized world. Price, 25c.
