SCIENCE AS APPLIED MME. RUPPERT To the Various Requirements of the Present Civilization. ANY ONE CAN HAVE A PERFECT COMPLEXION

TESLA'S DISCOVERY IN LIGHTING. Photographing the Stomach and Removing Metallic Poisons. PAPER AS A BUILDING MATERIAL

WRITTEN FOR THE DISPATCH. The profound interest aroused in English electrical circles last week by Nikola Tesla's brilliant lectures before the Institution of Electrical Engineers and the Royal Institution serves to recall some pregnant remarks made in London by Prof. William Crookes...

Mme. Ruppert's Face Bleach. It is most wonderful effect is known in almost every household. Thousands who he disease and discolorations of the skin, including freckles, redness, blackheads, etc., had their faces gloriously beautified by its use.

ITS PRICE IS REASONABLE. When its great merit is considered, think it one, bottle, which costs but 42 cents, is sufficient to cure quite a bad case, in fact, that patrons may derive the benefit of discount on three bottles, a coupon is given with the first bottle, entitling the purchaser to the two remaining bottles for 50 cents.

MME. A. RUPPERT, ROOM 203, SECOND FLOOR, HAMILTON BUILDING, 93 FIFTH AVENUE, PITTSBURGH

Therapeutic Electricity. The ordinary electric bath is one of the best means of stimulating and refreshing a patient in a debilitated state of health. One single result is the removal of metallic poisons from the body. This is effected by electrolysis. The metallic poison will be found in the water after 30 minutes sitting.

Harry Davis' Museum-Theater. As usual, Manager Davis comes forward with a fresh list of novelties for the week. To begin with, he has a new comedy, "The Dazzler," which he has arranged between the celebrated Wallace Ross and Ed. Monaghan, a local celebrity.

The World's Museum-Theater. At this popular place of amusement another excellent bill is offered for the coming week. In the first place, the beautiful Hindoo snake enchantsment, "Tatima," who fondles and plays with the largest and deadliest of reptiles, makes her first appearance.

Theatrical Notes. DANIEL FROHMAN'S splendid production of "The Charity Ball" will visit Pittsburgh shortly. "At the Comforts of Home" is on its way here and will be seen at the Grand in a couple of weeks.

The Telephone in Surgery. A remarkable application of the telephone has been made by Dr. J. Mount Dwyer. In a case of membranous croup, the operation was successfully resorted to, through the removal of the tube became necessary it had disappeared. Tracheotomy would evidently have to be performed, but the difficulty was to locate the tube. A delicate metallic probe attached by an electric wire, the other end of which terminated in a telephone receiver, was passed down through the larynx. As soon as it came in contact with the tube a distinct click was communicated to the ear through the receiver.

A Boon for Farmers' Boys. A machine has been brought out to pull weeds entirely out of the ground, or to kill them in case they are well rooted, by stripping off their seeds and leaves. It is adapted to be drawn by horses and a sprocket drive on the drive wheel is connected to rotate a forward shaft by which a drum is rotated. The drum has longitudinal slots in its rim, in each of which a camera is mounted, the teeth of which form V-shaped openings into which the stems of the weeds readily pass and are firmly gripped. The machine is said to have given great satisfaction, and is well adapted to pull up weeds in cultivated ground in

Flora Made of Paper. The wide adaptability of paper is regarded as likely to lead to a solution of the problem of rendering buildings and business structures fireproof. It is now found that paper can be made perfectly fireproof while remaining amenable to the same treatment as the matter of coloring, and such material offers all the advantages of an ideal substance for floors, and it can be equally well for the walls of buildings. Besides, it can be utilized in the final and furniture of houses.

Our Bronze-Blue Catalogue for 1922. A superb work of art printed in Bronze Blue & Green. It contains the following: 1. All the most popular plants in the world. 2. All the most popular flowers in the world. 3. All the most popular fruits in the world. 4. All the most popular vegetables in the world. 5. All the most popular herbs in the world. 6. All the most popular medicinal plants in the world. 7. All the most popular ornamental plants in the world. 8. All the most popular aquatic plants in the world. 9. All the most popular ferns in the world. 10. All the most popular mosses in the world. 11. All the most popular lichens in the world. 12. All the most popular fungi in the world. 13. All the most popular algae in the world. 14. All the most popular bacteria in the world. 15. All the most popular viruses in the world. 16. All the most popular protozoa in the world. 17.
