COMMERCIAL JEALOUSY OF AMERICA

BERLIN, Feb. 13.—The committee to which was referred the sectarian (primary) education bill, submitted by the Government to the Reichstag, has during the past week, the first week of its sittings, dealt with 13 of the clauses of that measure, but has reserved consideration of the sections relating to questions of religion. These clauses, with the postponed sections, which form the kernel of the measure, will be taken up next week, when it will be seen whether the Government has the courage to defy the popular opposition, which is led by the most eminent men in Germany.
