

MILLAGE CUT DOWN.

Tax Levy for the County Fixed at a Mill and Three-Quarters.

POOR TAX IS ONLY ONE-HALF MILL.

The Total Valuation May Yet Be Increased to Nearly \$450,000,000.

GENERAL GOSSIP FROM THE COURTS

The County Commissioners have made their tax levy for the year 1892. The millage is 1 3/4 mills for county purposes...

The Controller's estimate of the amount to be raised by taxation for current expenses for the year \$445,765.97.

Wiping Out the Court House Debt. In addition to the current expenses the Commissioners desire to raise \$235,000 to complete the fund for the payment of the bonds issued for the new Court House indebtedness.

Lower Taxes for Next Year. The county will also receive about \$150,000 more from the State than heretofore, owing to the new law which gives back to the county three-fourths of the State tax it pays.

A GRAND SECRETARY MUST RESIGN. The Cincinnati, Feb. 15.—A committee of the various branches of the Catholic Knights of America, appointed to examine the books of Grand Treasurer O'Brien, who was recently indicted for embezzlement, has made a report through Chairman Dolle, of Branch No. 60, Covington, recommending that Grand Secretary George W. Barr send in his resignation, for the reason that they are satisfied that he withheld the knowledge that O'Brien was in default, and therefore was subject to censure.

ANOTHER LOVED ONE TO DIE. The Coroner's Inquest in the Salem Poisoning Falls to Reveal the Culprit. SALEM, Ill., Feb. 15.—There is still considerable excitement here over the poisoning of the Morton family. One of the girls, it was said yesterday, would likely die. The others are slowly recovering.

MILLVALE GETS A TURN NOW. The Philadelphia Company Enters Suit Against the Borough for the Gas. The Philadelphia Company, through its attorneys, entered suit yesterday against the Borough and Town Council, of the Borough of Millvale, to recover a gas bill of \$245.64, for the month of December last.

Damage for Injured Reputation. William Shelby, through his attorney W. A. Hudson, filed a suit yesterday against Police Lieutenant George H. Waggoner and Officer Charles W. Allen, for damages. The plaintiff alleges that on the 24th of last December, the defendants without a warrant or authority of law, entered his house on High street in search of alleged stolen property, which was not there.

Hart Held for Counterfeiting. Henry E. Hart was given a hearing before United States Commissioner McCandless yesterday on a charge of passing counterfeit money. He is accused of passing counterfeit silver coin. The arrest of his wife, who is now in jail, in Allegheny a week ago, led to a search of Hart's house and his subsequent arrest. He was committed to jail for court in default of \$1,000 bail.

Echoes From the Court House. This suit of Murphy & Diebold against Mary E. & A. C. Ellis and O. Schultz, an action on a contract, is on trial before Judge White.

Attorneys Corey & Co. filed the divorce suit of Susanna Hahn, by her next friend M. Marx, against Philip Hahn. They were married June 6, 1867, and she alleges he deserted her January 1, 1878.

James Monroy, committee of J. L. Morrow yesterday filed a suit against J. Morrow to secure a partition of oil producing territory in North Fayette township, owned jointly by them.

The case of Phillips, Dunn & Co. against the Rock Torpedo Company is on trial before Judge McCullough. The action is to recover damages in the sum of \$8,700 for failure to properly shoot an oil well in Hampton township.

An action for slander was filed in Common Pleas No. 1 yesterday by James Bunkan against Stefan Bazanski, who is accused of writing the plaintiff's wife a letter accusing him of marital infidelity. Damages are asked.

The will of the late Elizabeth E. Reading, of Kibbuck, township was filed yesterday for probate. She bequeathed \$2,000 to the Allegheny Home for the Friendless and divided the balance of her estate among relatives.

W. J. Jordan yesterday filed the suit of Daniel Ray against Mamie Ray for a divorce. They were married June 24, 1883, and separated in 1884. He accuses her of desertion and infidelity, naming George Kane as co-respondent.

In the United States Circuit Court yesterday Judge Acheson made an order authorizing W. H. Barnes, receiver of the Allegheny Valley Railroad Company, to transfer all the property of the company to the Allegheny Valley Railway Company, the purchasers of it. Barnes is the President of the new company, and John B. Jackson and F. A. R. Widener constitute the purchasing committee.

Philadelphia People Throwing Up Their Hats for President McCool. Drummers from the Quaker City report that the people there are going crazy over the Reading combination. The stock of the company has been a drug on the market for years, and it is held principally by estates, widows, orphans and poor people who couldn't realize a cent on it. Now the stock is jumping up at a rapid rate, and everybody is happy. The Pennsylvania people are very wary, and nobody in Philadelphia takes any stock in their cry that the deal is unconditional.

A Quaker City man expressed the feeling against the people there yesterday when he said: "The Pennsylvania road has done all in its power to throttle competition in Philadelphia. They drove the Reading into bankruptcy, and built a line up through the Schuylkill valley to Pottsville at an enormous expense of \$16,000,000 for no other purpose than to kill off the Reading. This new road is not paying, and there is not enough traffic for the two lines. Everybody thought the people there were going crazy over the deal, but the last nail in the Reading's coffin, but the people underestimated the ability of President McCool. He is not so brilliant a man as Frank Gowen was, but he is a square man, which denotes business judgment. He is a good and honest man, and is responsible for the combination. Nobody ever dreamed that the Lehigh Valley could be leased, and this is what threw the Pennsylvania people off the track."

Dr. Gilfillan is quoted as being in favor of going on with the case against Mr. Pearson. Mr. Elphinstone and all the other prosecutors oppose such a course, and the former asserts that Dr. Gilfillan is prompted by personal spite. It is well known that Gilfillan and Pearson are not good friends, and it is said the former will proceed against the ex-Mayor with his own attorney in case Mr. Elphinstone insists on delay.

WANTS A NEW TRIAL.

Mayor James G. Wyman Asks to Have His Case Tried Again.

CLAIMS THERE WERE ERRORS.

Elphinstone Thinks a New Trial Will Not Be Granted.

THE AUDITORS ARE ALMOST THROUGH.

Mayor Wyman, of Allegheny, yesterday applied for a new trial. The argument will hardly come up until the last week of the present term, which ends March 5. In case a new trial is refused sentence will be passed immediately. Until the argument Mayor Wyman will be allowed to hold office, and will not, it is stated, resign. The reasons set forth in the motion for a new trial are: First—There was not sufficient evidence of extortion by the defendant. Second—The lack of evidence was represented by the court in an instruction to the jury. Third—The court erred in the admission of evidence. Fourth—The court erred in the charge to the jury on the duties and responsibilities of the defendant. Fifth—The court erred in not charging that if the fee charged by the clerk was unlawful there could be no conviction. Sixth—The court erred in the general language and tending of the charge in favor of conviction. Seventh—The court erred as to points made by the defendant's counsel. Eighth—The court erred in instructing the jury as to the value of good character. Ninth—The defendant, Mayor Wyman, had not a fair trial by a jury empaneled to try his case. Tenth—This point represents that a new trial should be granted because the court, having been allowed by the court that the counsel for the defense had made points of alleged facts not in the evidence.

Will Appeal to Supreme Court. City Solicitor Elphinstone thinks there is no probability that a new trial will be granted. He thinks the first was fair and that the entire bench will sustain Judge Kennedy. If it is not granted, it is the intention of Mayor Wyman's attorneys to appeal to the Supreme Court. In case this is done and the Mayor should be given a working case on the appeal, Judge Kennedy would be retained in jail, until the Supreme Court would fix the time for a hearing. The Supreme Court is now in session in Philadelphia and it would require three or four days to get an opinion. Mr. Wyman from jail. The gloomy prospect is the only subject discussed by Mayor Wyman's friends, but no remedy can be found. The statement that negotiations have been made whereby the prosecution is to ask for leniency in the Mayor's case is vigorously denied by Mr. Elphinstone.

Do Not Want Any Compromise. "So far as I know," he said, "no proposals have been made by either the attorneys for the defense or prosecution, and that on that subject as by outsiders, who do not speak with authority. There will be no more cases taken up by us until Mayor Wyman's is disposed of."

Dr. Gilfillan is quoted as being in favor of going on with the case against Mr. Pearson. Mr. Elphinstone and all the other prosecutors oppose such a course, and the former asserts that Dr. Gilfillan is prompted by personal spite. It is well known that Gilfillan and Pearson are not good friends, and it is said the former will proceed against the ex-Mayor with his own attorney in case Mr. Elphinstone insists on delay.

Mr. Henricks said yesterday that the auditors are almost through with their work. They will soon make a final report on the affairs of the water bureau and other departments. Mr. Henricks thinks the Mayor will not be given a new trial.

The Enormous Amount of Money Paid to Uncle Sam yearly for tax on whisky can be estimated from the fact that last week over \$100,000 was paid by one house in this city—the William H. Holmes Co.—upon withdrawal from bond of about 300 barrels of whisky.
