NO BRIGHT OUTLOOK.

Bradstreet's and Dun Report an Unsatisfactory Trade Week,

ESPECIALLY IN IRON TRAFFIC.

Good Deports Continue of Clearings and Business Failures.

SOME OF THE . FEATURES OF PINANCE

SPINIAL VELTGEAR TO THE DISPATRICA NEW YORK, Feb. 19.—Special telegrams to Brankered's point to no material change in conditions affecting the general business situation. Trade thus far, on the whole, is disappointing, though a good deal of confidence is expressed as to what the spring

Depression of cotton prices and an exceptional conservation on the part of both havers and sellers at the South, are, as yet, unrelieved by any increased activity, although Savanuah and Galveston report a more moderate demand in some staple lines. Cotton factors are making smaller advances than usual to merchants and planters. The woolen industries East are sluggish, excost for financls and carpets. A Gleoney Report for Iron.

Structural iron prices are demoralized. Steel rails are only nominally \$30 per ton mt the utill. The demand for iron and steel is more and more of a hand-to-mouth charover. Sonelis of pig iron are increasing, and feally a break has come, with sales of hand tone of No. 2 Allentown, Perth Amor alelivery, at \$14.59, and 2,000 tons of another Leisigh valley furnace offered at the Southern irons have been hawhed at prices supposed to represent

drygoods, hardware, and, to some hoets and shoes, are in rather better Petroleum is a little more On the Pacific coast ocean freights a little, and wheat prices as well. on packers are trying to enforce a reimplements and building mamore active at the Northwest.

The Clearings Continue to Increase. ic clearings at cities in the United 81,780,070,394, about 2 per more than last week, but 35 per cent The gains are chiefly at New York Philiad-lightin, the former showing an one of 23 per cent and the latter of 47 as compared with the week a year

Wheat prices advanced 5)ge this week on toreign novices, a larger export deminor of operations of a bull clique, and wheat from United States ports to week ending February 17, equal 100 leashels, against 3,641,000 bushels seek before 2,056,000 bushels in the a year ago, and 2,236,000 bushels in a

period two years ago. menally heavy, 3,243,000 bushage, and as contrasted with only 327, in the like week a year ago. complable strength of foreign exuntivity or strength in the stock

ally on rumors of an in-

- week, against 214 last in the week a year ago, and 253 120 less than in a like portion or less. About 83 per cent of - were of concerns where emplaced was not in excess of ariv 11 per cent had from 20 100 capital, 9 of them from alled a here the capital was in ex-

of is as dull as ever, with prices the decline. The sluggish de-Australian wools have been al the tendency of domestic now to be downward. The large share imported is of lower quality than California, Texas and Territory quiet and unchanged with a downsecond heavy receipts by dropping, the week being 1-16c resold well ahead. Prints and the street in good demand. Tapes-

carpets are higher. II. G. Dan Induges in Pessimism. T: G. I m & Co.'s weekly review of

cuation is not quite so satisas it has been. While natural manages in distribution of many by continues, there is a of the selection in cotton, hopes of reall in a super- trade and the speculative of the clean money and by suffice coal speculation, of to wheat and threatens

As payames in wheat from any cause at a payames in wheat from any cause at the expect of brendstuffs at a me when Europe has heavy demands for rels heat steel here, would not be wholeshes. Park products, cats and coffee are abstratially unchanged, and oil is only one-grate can higher on small transactions. At Boston trade is reported satisfactory, a Haitimore the humber trade is more lefter. The movement in drygoods at mindelphia promises an active spring rate, mough the south le still behind.

At Parsburg trad in from and steel has at Pursburg trad in from and steel has found dull and prices are weakening. At remaind improvement is seen in most easy and trade is larger than has year, and trade at Detroit also exceeds has

At Chicago and the West.

collingo sales of marchandise show a renewers over last year, and receipts warmal are double last year's of dressed beef; sold of and 5s per cent greater of flega carley a third greater; of hides, 29 per presier, and of butter some larger the year, while a little decrease appears in

s good at Milwankee and co are settisfactory. At Minneapotis
Paul business is fair and the outoursing. At Omalia, and Kansas City
rade and collections are fair and
nemy AtSt. Louis business begins
of revival. The outlook for same of recival. The outlook for trafe is encouraging, and the corn is fall movement most of it going by the Traile also improves at Denver, South, bursiness is quiet at Little and Memphis, and in all lines rather at New Orienns, though sugar is just active. At Savannsh trade is a prespectability that, factors advancement on because money is very easy; roughout the South the continued.

The Situation in the Iron Trade. The week has been gloomy in the iron trade, from pressure to realize on quantities of iron not well known or produced in excess of requirements. More inquiry appears for structural iron beams, selling at 2%c, but bar iron is in light demand, and for finished products generally the demand is disappointing. Since the large sales at 10%c, the copper market has been steadlor, and tin and lead are strong. The coal mine is very dull, awaiting the results of the combination.

tion.

The boot and shoe trade is steady and growing, though cutting of prices for boots has done no good, and shipments are still below those of last year. Pittsburg Ninth in Bank Clearings. NEW YORK, Feb. 19.-The following

table, compiled by Bradstreet's, gives the Clearing House returns for the week ending February 18, and the per centage of in-crease or decrease, as compared with the

DUNLEY-On Friday, February 19, 1892, at Sr. M., EDWARD DUNLEY, aged 68 years and 5 Funeral from his late residence, No. 9 Peach alley, on MONDAY at 8:30 A. M. Friends

Stand Alone.

It is a fact which can be proven by a single trial, that the flavor given to cakes, puddings, creams, sauces, by Dr. Price's Delicious Flavoring Extracts, are as natural as the fruit and are as much unlike, in delicate flavor and strength, the cheap extracts as can possibly be imagined. In these respects they stand alone in the market: Dr. Price's Vanilla is a year old before it is bottled and offered for sale. Age softens and developes its fine and deli-

cate flavor.

denression of cotton is noted as a cause of of the family are respectfully invited to at-ENNIS-On Friday, February 19, 1892, at 5:47 r. M., SHAS ENNIS, in his 201h year.

NEW ADVERTISEMENTS.

EAST LIBERTY, Feb. 17.

MESSES. O. MCCLINTOCK & Co.: Dear Sirs—If you could only suggest some way to dispose of my old furniture, your offering of large reductions on new furniture would be more advantageous to me. I want to replace with new pieces my old sideboard (which is too small for my dining room, and an old-fashioned walnut chamber suite (bought when I started in housekeep-ing), but have not decided how I can ar-

range it. While so undecided, I write chiefly to ask whether your reduced prices will hold longer than the "one week?"

OUR REPLY.

We suggest, FIRST, the auction room in March or April as the best place and time for a quick turning of old furniture these NEW, ELEGANT CAPES into ready cash; SECOND, as a gift, they would confer lasting Interment at Meadville, THIS (Saturday) benefit upon a needy relative, or neighbor, or one of the many charitable institutions.

SALE TO BE CONTINUED

In deference to the suggestion of our correspondent and of many others, and because our offering of furniture was really too large to be handled by us, or to be taken advantage of by our customers, in one short week (with two inclement days), we have decided to continue this Special Sale, on the same conditions,

ONE WEEK LONGER.

It will positively close on Saturday February 27. Then our Spring Opening BOGGS & BUHL of New Furniture will begin.

GRATEFUL-COMFORTING. EPPS'S COCOA.

BREAKFAST. BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the me properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a defleately havored beverage which may save us many kerry dectors' bills. It is by the indictous use of such articles of diet that a constitution may be gradually until up until strong enough to resist every tendency to disease. It undreds of subtle ministers are floating around us ready to attack wherever there is a weak point. We may escape many a fatta shaft by keeping ourselves well fortified with purablood and a properly nourished frame."—Creli Service Gazette.

Made simply with boiling water or milk. Solid only in half-pound tins, by grocers, labelled thus: IAMES EPFS & CO., Homosopathic Chemista, London, England.
