Mr. Hayter was more than emphatic in his denunciations of the free silver bill, which he characterized as infamous, and predieted that if it passed the Democratic party would march to certain defeat in November. Warming to the subject he declared that "if this free silver bill shall pass the time will come when a man, as a Domograt, will not be given a decent burial m a Democratic cemetery." often awaken so suffocated he could hardly get his breath. He had a tired, nervous, irritable feeling, pain in the small of his back, poor appetite, bloated feeling after eating. He became low spirited and easily discouraged. It was in that condition that he wrote to Dr. Lowe and his associates of the Catarrh and Dyspepsia Institute, 323 Fenn avenue, for home treatment. After using their medicines compounded from roots and herbs, for one month. He writes:

"I am quite willing you should publish my case in the napers. I am much improved in every particular. The only way I am bothered now is the pain in the small of my back and that only once in a while. My voice is quite natural and my appetite is fine. I am gaining in strength and weight. One thing I ought to mention. Last winter I, paid a doctor of Portland, Ore, \$220 in cash, and have at other times paid different amounts and have received no particular benefit until now. Yours respectfully.
