THE COURT FAVORS THE DEFENSE

In a Charge Accepting 14 of the 17 Points Raised by Counsel.

G. B. AND T. A. MUST NOT BE CONVICTED

MEADVILLE, Feb. 24.—Nearly every seat in the Crawford County Court House was filled this morning at 9:05 o'clock, at which the defendants are guilty under this statute and ask you to say from the evidence which has been offered that a case has been made out.

The Judge began his charge by referring to the act of Assembly under which the indictment was found, and among other things said in that connection:

The act of Assembly, as you will observe, is new to criminal jurisprudence in this Commonwealth, and you are engaged in the trial of, perhaps, the second case which has come to the attention of the courts in the Commonwealth since the adoption of this act.

The Judge then referred to the evidence in the case, and said that the Commonwealth has failed to establish its case, and that the jury should find the defendants not guilty.

The jury returned a verdict of not guilty, and the case was dismissed.
