

LOGIC AND RIDICULE

In Profusion at the State Christian Association Meeting

TO DENOUNCE SECRET SOCIETIES.

Very Vigorous Language Used by a Number of the Speakers.

POINTS OF THE ARGUMENTS ADVANCED

The annual meeting of the Pennsylvania State Christian Association, opposed to secret societies, opened yesterday in the Second United Presbyterian Church, Sixth avenue.

It is not a matter of formality with me, but from the depths of my heart I welcome you. This is a cause in which the U. P.'s, R. P.'s and many other "P's" unite.

After the committees were announced, Rev. J. F. Stoddard, of Boston, Mass., delivered a lengthy address on "The Lodge Opened."

He then produced a chart, alleged to illustrate the various degrees and scenes in the lodge of Free Masonry. He stated that when a man became a Mason, he threw away his rights.

He then referred to a Boston lodge, where he said several of its members became intoxicated, and yet the husband could not tell this to his wife, and receive her council and prayers in the matter of associating with them.

The wife has as much right to know what the husband is doing as the husband has to know what the wife is doing.

The first speaker at the night session was the Rev. W. J. Coleman, of Beaver Falls. He attacked secret societies, and asserted that they are a menace to good society.

Where, he asked, is the benefit of the jury system when there are some on the jury who are sworn to obey the officers of their societies?

It gives an evil man a power over a jury, the Sheriff, the witness and sometimes the Judge.

The speaker then turned to ridicule, and said that it was not necessary for a man to secure the help of honest men if he was honest himself.

PAROXYSMS OF PAIN.

A Definition of What Neuralgia Is and the Discovery of Its Cause—Something of Interest.

If there is anything which the people of America suffer from more than any other it is neuralgia. Strictly speaking, neuralgia means "nerve pain."

Neuralgia is often inherited, but more frequently it arises from a disordered nervous system.

Neuralgia arises wholly from nervous derangement, a child can see that in order to cure it, the nervous system must be renewed.

Neuralgia is often inherited, but more frequently it arises from a disordered nervous system. It may be months before the distinct paroxysms come, and then of all pains it is the worst.

The smallest of the best in pills, other things being equal. But with Dr. Pierce's Pleasant Pellets, nothing else to speak of. They're the best, not only because they're the smallest, and the easiest to take—but because they do more good.

They're the cheapest pill you can buy for your money is returned. It's a plan of sale peculiar to Dr. Pierce's medicine.

A sham lock is a dangerous sham. To avoid the bad, and to select the "YALE" simply examine the Keys. The Key of every genuine "YALE" lock has "YALE" stamped on it, which guarantees convenience, strength and perfect security.

Rheumacure SURE CURE FOR RHEUMATISM GOUT & LUMBAGO. ALLEGHENY, P.A., Jan. 27, 1892.

McKinzie & Chessman Manufacturing Company, Pittsburg, Pa.

GASTRIKES—I am 43 years of age, and just one-half of that time I have had Acute Inflammatory Rheumatism, which has caused me to remain in bed from two to three months in each year.

I have been to Dr. Clemens, Mich., twice, and have taken all the rheumatic medicines that I could hear of, and have been doctored by all kinds of physicians, all of which did me no good until I was persuaded to try your Rheumacure, and two bottles have cured me as well as I ever was.

I most heartily recommend it as the great medicine of the age in the cure of Rheumatism.

Yours respectfully, J. W. KELLY, No. 49 Monterey street, Allegheny.

Price, \$5 per bottle. For sale by all druggists. MCKINZIE & CHESSMAN MFG. CO. 418-420 PENN. AVENUE, PITTSBURGH, PA.
