

GUFFEY IS HOPEFUL.

He Believes He Will Defeat Secretary of State Harrity FOR THE LATE W. L. SCOTT'S PLACE As a Member of the National Democratic Committee.

CORBETT WANTS AN HONEST DOLLAR

The result of Saturday's primaries in Washington and Dauphin counties and the action of the conventions in those counties yesterday were decidedly satisfactory to the anti-Harrity Democrats of Pittsburgh, and the followers of Judge Guffey now claim to see more bright stars in the political sky.

Both Sides Claim an Ultimate Victory.

The contest between Mr. Guffey and Mr. Harrity for the late W. L. Scott's place on the Democratic National Committee is daily attracting more attention. The Guffey people are confident of success, while Secretary Harrity's followers claim they will win the fight easily.

Against the State Administration.

"In the Sixth Congressional district Michael Murphy, Mr. Guffey's business partner, will go to the State Convention and will see that a Guffey man goes to the National Convention. In the Eighteenth Congressional district Franklin Union and Snyder counties have announced themselves as being against the State administration.

A BLOW AT PATTISON.

The Washington County Democrats Refuse Him as Their Second Choice. A special to THE DISPATCH from Washington, Pa., says the Democratic Convention, which was held at this place to-day, was decidedly in favor of Guffey.

JUDGE CORBETT ON POLITICS.

He is Opposed to Free Silver and Favors Carlisle for President. Ex-Judge Corbett, of Clarion county, was in Pittsburgh yesterday in conference with business friends. The ex-Judge is an earnest Democrat, but just at present he says he is more or less disgusted with the uncertain policy of his party.

In Justice to Judge Buffington.

A prominent member of the Pittsburgh bar speaking yesterday of the late Quaker contest in Armstrong county, said: "The report that Judge Buffington, of the United States Court, took any part in that contest does the Judge a injustice. I know positively that Judge Buffington did not take any part in that fight. He has too keen a respect for the position he occupies to take part in politics now that he is on the bench. He has been holding court every day and attending to the duties of his high office."

The wrong way, with Catarrh, is to stop it without curing it. The poison, irritating mucus, strong caustic solutions, "creams," balms and the like may, perhaps, palliate for a time. But they may drive the disease to the lungs.

KAUFMANN'S CONFIRMATION OUTFITS FOR BOYS AND GIRLS.

The Undisputed and Indisputable Headquarters for CONFIRMATION (OR HOLY COMMUNION) OUTFITS FOR BOYS AND GIRLS.

We have just inaugurated our usual annual Easter sale of Boys' and Girls' Confirmation Outfits. All the goods offered at this sale have been expressly made for Confirmation or Holy Communion purposes, i. e., to harmonize with the solemn and significant ceremony for which they are intended to be worn.

Our Confirmation Suits, unlike those offered by other houses, are not ordinary ready-made clothing, but were made up in our own Merchant Tailoring Department, and are, therefore, entitled to the rank of first-class custom-made garments.

The only difference is the price—our suits costing about half what a tailor would charge. The materials are Corkscrews, Clay Worsteds and Diagonals; Tricots and Cheviots. Prices are \$8, \$10, \$12 and \$15.

As a special token of our old-time friendship for the boys, we will present a beautiful Sterling Silver Scarf Pin with each Confirmation Suit.

We also show a complete line of Boys' Confirmation White Dress Shirts, Neckwear, Hats and Patent Leather Shoes.

A large line in Lawn, Cashmere and Silk. Over 150 different styles in exquisite, elegant and stylish White Confirmation Dresses, very handsomely embroidered, ranging from \$3.50 up to \$20.

As a special bargain we offer 300 fine Tan and Cream Cashmere Confirmation Dresses, trimmed with fine white lace and velvet ribbons; low neck, bodice, sash, etc., at only \$7. The same dress, if you'd buy the material and have it made, would cost you \$12.

A beautiful line of Silk Confirmation Dresses, in white, cream, blue and cardinal, trimmed with lace, at only \$7.75. Value, \$14.

A handsome White Confirmation Wreath will be presented with every Girl's Confirmation Dress.

We also carry a full line of Confirmation Veils and Veilings, Gloves, Handkerchiefs, Artificial Flowers, etc.

QUITE A SCOOP! And this haul comes from some of Chicago's BRAG TAILORS. We have been bargaining for some time for this SWELL CATCH of Artistic Garments, and as they are now in our possession it's worth your while to examine them. They will please you in QUALITY, MAKE-UP and TRIMMING. We've GRABED THE PRICES according to the quality.

\$10 for those that were made up to order for \$20; \$12 for those that were made up to order for \$24; \$15 for those that were made up to order for \$30; \$20 for those that were made up to order for \$40; \$25 for those that were made up to order for \$50.

It is needless to comment on the fabrics, for it is a well-known fact that merchant tailors bearing good reputations as artists only handle IMPORTED WOOLLEN, and they are thoroughly shrewd, before being made up. That's to your advantage. "A CALL" TO OVERCOAT BUYERS. If you want a stylish Top Coat in any desirable color, weight or length, spend a few minutes time in our Overcoat Department. You are certain of saving \$10 to \$20 on one of them; \$10 to \$20 will buy one that was made up for \$30 to \$45. JUST A FEW MORE.

Our large assortment of Merchant Tailor made Pants sell for \$3 to \$7. Have them in all sizes. Open to 6 p. m. Saturdays until 10 p. m.

McKinzie & Chessman Manufacturing Company, Pittsburgh, Pa. GENTLEMEN—I have been a sufferer with muscular rheumatism for the past eight or nine years, and have tried almost every known remedy without anything more than temporary relief being afforded me. Having heard of your Rheumacure and its wonderful achievements is concluded to try it. The result has been more than I expected. I purchased a bottle February 13, and less than the contents of one bottle has made a new man out of me, and I am assured of a sure and permanent cure. I cheerfully recommend it to any and all persons afflicted with rheumatism, and particularly those whose duties may call them out in all kinds of weather and are exposed as I am and have been for years past. I am very truly yours, NOBLE JONES.
