

HILL MADE A TARGET

By Allen W. Thurman, Who Denounces His Attempt to

TAKE THE PRESIDENCY BY STORM.

Campbell Still a Strong Second Choice With Western Democrats.

POSITION OF THE OHIO LEGISLATORS

FROM A STAFF CORRESPONDENT.

COLUMBUS, March 30.—The political days of Allen G. Thurman have past, and it is definitely announced that he will never appear on the stump again, or take any active part whatever in party affairs.

Mr. Thurman is considerably beyond the scriptural age, and his strength, which has been failing for some years, received a severe shock in the recent death of his wife.

It is impossible to say now whether anybody will be endorsed, answered Mr. Thurman. "Ohio Democrats have no boss and no machine, and the party in convention assembled will do just what it thinks proper at that time."

"The people," Mr. Thurman continued, still speaking of Hill, "do not believe in the plan of carrying an office by assault, and especially such an office as the Presidency of the United States."

"The strongest Western Democrat." "Ex-Governor Campbell is the strongest man in the West to-day, notwithstanding the election of last fall."

"How about Gorman?" was asked. "I do not think there is any chance of the convention going below Mason and Dixie's line for a candidate, and if such a step should be taken there is a stronger man in the South than Gorman."

"Hill has some friends in Columbus, however. Chief among them is ex-Congressman Converse, who was one of Randall's disciples in the House, and who is opposed to Cleveland's free trade in navigation."

Results of a Legislative Poll. THE DISPATCH correspondent made a nearly complete canvass of the members of the Legislature to-day as to their Presidential preferences.

Why It Was. A good lady asked not long ago: "What makes Marvin's bread so white and so delectably sweet?" We could not tell a lie, so we said: "It is the materials we use. The yeast we make ourselves and the other ingredients are the purest and best that can be purchased."

Special Sale. 100 dozens Hemstitched White Huck towels, 25c each, Deposits of \$1 and upward received, and interest allowed at 4 per cent.

Under the direction of the Legislature of Ohio, the State Food and Dairy Commissioner, Gen. S. H. HURST, examined the leading brands of baking powder (30 in all) and the following is Gen. HURST'S verdict:

"Cleveland's Superior is absolutely the best baking powder manufactured."

Mckinley's friends, since his defeat for temporary presiding officer of the State Convention, propose to elect him permanent chairman of that gathering, which meets in Cleveland April 27 and 28.

FIRE IN A BOSTON HOTEL

A Rapid Scramble for Life—One Guest Fatally Burned and Several Others Badly Bruised—A Number of Narrow Escapes—Fired From the Engine Room.

BOSTON, March 30.—Clark's Hotel on Washington street was badly damaged by a fire which broke out at 4 o'clock this morning. The guests awakened to find themselves enveloped in smoke, became panic-stricken and three of them were injured, one fatally.

While rushing about in search of an exit from the burning building, Mr. Southward mistook the opening of the elevator well and fell down three stories, alighting on the top of the elevator, where he was found in an unconscious condition by the firemen when they got into the place.

The loss on the burned building, which is owned by Edward Bangs, is estimated at \$35,000. The lessee, Marquis C. Clark, suffers a loss of \$20,000; insured. Charles Green & Co., tailors, 585 Washington street, loss from \$5,000 to 10,000, by smoke and water; partially insured.

PAIN in the back or limbs is at once driven off by a few applications of Salivation Oil.

In Memoriam. The following resolutions have been adopted by the Board of Managers of Home for Colored Children to the memory of Mrs. Mary Henderson Watson, who died March 17, 1892.

Whereas, God in His providence has removed from our counsel and companionship a dear friend and earnest worker, we desire to express our sense of the deep loss our work with all her might, but often beyond her strength, always willingly, cheerfully, never grudgingly.

Resolved, first, that we mourn our loss, but bow in submission, comforted with the promise that her "ill work was done" and with her "all is well."

Resolved, second, that as a board we will cherish her memory, emulate her example and work with increased vigor.

Resolved, third, that we gladly bear testimony to her lovely Christian character, her noble spirit and her love for the cause of the Master.

Resolved, fourth, that we extend our sympathies to her bereaved husband and children, and commend them to a loving Savior, who alone can bind up their broken hearts.
