HARNESSING RIVERS. No Good Reason Why the Allegheny or Monongahela Does Not RUN EVERY WHEEL IN PITTSBURG.

HARNESSING RIVERS. As a rule, that which costs is best appreciated. We estimate a thing largely from the struggle that it involves in obtaining it. No sooner does a new thing arrest our attention, than we project an interrogation as to its cost. It often happens that the superior is rejected and the inferior accepted, because the former would come to our hands without expense, while the latter would not.
