Mr. J. P. Blaize, an extensive real estate dealer in this city, narrowly escaped one of the severest attacks of pneumonia while in the northern part of the State during the recent blizzard. Mr. Blaize had occasion to drive several miles during the storm, and was so thoroughly chilled that he was unable to get warm, and inside of an hour after his return he was threatened with a severe case of pneumonia, or lung fever. Mr. Blaize sent to the nearest drugstore and got a bottle of Chamberlain's Cough Remev, of which he had often heard, and took a number of large doses. He says the effect was wonderful, and that in a short time he was breathing quite easily. He kept on taking the medicine, and the next day was able to come to Des Moines. Mr. Blaize reards his cure as simply wonderful, and says will never travel again without a bottle Chamberlain's Cough Remedy.—The (Des Moines, Ia.) Saturday Review. 25 and 50-cent bottles for sale by druggists.
