

THE SIN OF SILENCE.

A Dumb Devil is in the Land, Who Stills the Christian's Voice.

INFIDEL SCOFFERS UNREBUKED.

Sounds of Singing, Prayer and Exhortation are Smothered.

A BAFFLING INFLUENCE ON POLITICS.

SPECIAL TELEGRAM TO THE DISPATCH.

BROOKLYN, May 15.—Dr. Thalme's text today was Mark 13, 35. "The dumb and deaf spirit, I charge thee, come out of him."

There has been much destructive superstition abroad in the world concerning possession by evil spirits. Under the form of belief in witchcraft this delusion swept the continents.

Evil Spirits Still in the Land. But while we reject witchcraft, any man who believes in the little world which there are diabolical agencies abroad in the world.

Against this dumb devil of the text, I put you on your guard. Do not think that this agent of evil has put his blight on those who, by omission of the vocal organs, have become dumb.

There has been a great deal of talk about the dumb devil of the text. Some one has said that the dumb devil of the text is a group of clerics who were in the factory at the moon speed.

Some one who reads the Bible and cannot find the laugh on the Bible and cannot find the laugh on the Bible and cannot find the laugh on the Bible.

Best of All To cleanse the system in a gentle and truly beneficial manner, when the springtime comes, use the true and perfect remedy, Syrup of Figs.

Every woman is interested in it. They like to use the best their circumstances will allow. Many feel unable to use Camellia, but knowing the reputation of the Marshall Kennedy Milling Co. for milling nothing but high grade flour desired to use flour made by them.

Great clearance sale of this season's fine goods. 317 Wood street, near Fifth avenue.

THE Iron City Brewing Company needs more of the manufacture of its favorite brands of Lager and Pilsener Beer. This beer is brewed to the highest standard of purity and is the most delicious beverage that can be had.

Deals with Nature.

In extracting fruit flavors Dr. Price deals directly with nature and leaves the use of artificial extracts to those who have not the chemical knowledge to extract from the true fruit, and who care not what they sell so long as they can make money.

How much more hearty we would be in our songs, and how easily we could drive back the dumb devil from all our worshiping assemblies, if we could realize that nearly all of our hymns have a stirring bias.

Sing," was suggested by Charles Wesley by Peter Bohler, who, after his conversion said: "I had better keep silent about it."

While much of the modern music is a religious doggerel, a consecrated nonsense, a sacred imbecility, I would like to see some great musician of our time lift the hallowed and marvellous Judgments of Heaven, Yarmouth, Dundee, Ariel, Brattle-street, Uxbridge, Pleyel's Hymn, Harwell, Antioch, Mount Pisgah and Coronation, with a few remnants of mighty tunes made in our own time, and storm Asia, Africa and America for the Kingdom of God.

The Dumb Devil in Politics. I do not believe that any grace if he regularly attends them. They are spiritual refrigerators—religion kept on ice.
