GENERAL SPORTING NEWS OF THE DAY

SPECIAL TELEGRAM TO THE DISPATCH. NEW YORK, May 15 .- If the weather is fine to-morrow there will be between 15,000 and 20,000 persons at the Brooklyn Jockey Club's course, near Gravesend, to-morrow afternoon to see the \$25,000 Brooklyn handicap decided. The heavy rain of early this morning turned the course into a river for an hour or so, but the excellent drainage system carried away the water admirably, and at 4 o'clock this afternoon the track was beginning to dry out nicely. Superintendent Brush vouchsafed the opinion that he would have a good track before the time for the big race, and that it was not a sure thing that he would not have to get out his sprinklers in order to keep the dust down.

Longstreet Has Lots of Friends, All the horses engaged in the Brooklyn were out to-day and had moderate exercise, Longstreet, Banquet and Raceland walking around the course about 4 o'clock. Longstreet's friends are legion, and the remark was general that it would be a great pity if rain fell before the race, as another storm would certainly put the track in bad order. Longstreet will be a hig favorite for the handican and Russell will be second choice. Then will come Raceland, with fair prices against the others. Mr. Dwyer said to-day that he would start all three of his candidates if the track was fast. Major Domo, Judge Morrow and Clarendon have ad-mirers who will take a chance on their favorites. On past form and work done this spring the race should be between Long-street and Russell at the finish. On a fast track Longstreet would win in the judgment of the best men following the turf as a means of livelihood, but the track will be re or less dead under the surface. Russell should make the big horse run every yard of the way. Clarendon, Major Domo and Fairview will see to it that the pace is fast during the early part of the race, as they are a remarkably speedy trio.

Something About the Starters. Longstreet won 16 out of 18 races in which he started last season. He was third in a sweepstakes at Brooklyn on May 30, and ran second to Foxford in a welter handicap at Morris Park on June 8. His last appearance was in the famous match race with Tenny. The match was decided at Morris Tenny. The match was decided at Morris Park on August I. Longstreet won by six lengths. The match was for \$5,000 a side and \$2,500 added money. Each horse carried 124 pounds and the distance was one mile

Received started 24 times last season and was successful 13 times. He can carry weight for a distance and run equally well on a fast or heavy track.

Banquet is a record holder. He made a new mile and a quarter record over the straight course at Monmouth as a 3-year-old

. U. 1830, which stands to-day. He ce ed the distance, with 108 pounds up, in 2:033. He started 28 times last year, and earned brackets 9 times. His forte is a heavy track, but he can more than hold his own with some of the best horses on a fast

he started last season. Reekon ran in 28 races last season and was first 11 times. The little seal brown horse Madstone

Judge Morrow was simply run off his legs inst senson and was only saved from becom-ing an absolute wreck by the stringent rules adopted by the Board of Control against winter racing. He won 6 times out of 35

starts.

Kingmaker had a hard campaign last venr. He ran in 22 races and finished first but twice. Pessara ran in 17 different races last year. He was returned a winner nine times. He

has beaten Cassins in a trial gallop and is the horse to which the stable will pin its faith to win the big event.

At a late hour this evening it was raining heavily here.

Cincionati, 5-St. Louis, 4. St. Louis, May 15.-Umpire Emslie gave the game to Cincinnati to-day by a rank de-cision in the seventh inning after two of the Reds were out, enabling them to tie the score. St. Louis went ahead again in the eighth, but were left behind in the ninth by Cincinnati scoring twice on singles by Mur-nby and Mullane, Mcl'hee's double and O Neil's sacrifice. ANOTHER CHECKER WONDER. Young Jordan Downs the Famous Wyllie

Twice in Four Games. CORRESPONDENCE OF THE DISPATCH. EDINBUROH, SCOTLAND, May 4.-A checker match of 20 games between James Wyllie, the famous "Herd Laddie," and Richard Jor-dan, the young champion of Edinburgh, was commenced here to-day for a purse of £10, of which the winner is to get two-thirds and

of which the winner is to get two-thirds and the loser the balance. Jordan's playing was quite a surprise, as out of the four games played he won two of them.

The first game played was the "Denny." Jordan, winning the toss, chose the white men. Wyllie thus commenced the match by moving 10-14. Play went on very slowly for a time, the players being frequently called to time by Mr. Gilbertson, Bathgate, who is timekeeper. Both players showed great care in their moves. Between 2 and 5:30 o'clock two games were played. The first was drawn but early in the second Jordan got a man ahead, and, holding his position, he ultimately won the game amid appliance. Play was resumed at 7 in the evening. In accordance with Wyllie's choice, a commencement was made with the "Maid of the Mill" opening. The third game was very evenly played, and ended in a draw. The lourth opened on the same lines as its predecessor, Jordan having the black men. At an early stage he introduced some new moves, but for a time both players were on very equal terms. oth players were on very equal terms Eventually Jordon secured a strong post tion, and, improving as the game proceeded, he won amid applause. The result of the day's play is: Jordan, 2; Wyllie, 0; drawn, 2

NOW FOR THE COLTS

Our Sluggers Will Inchls Them To-Day-

Beckley Very Highly Thought of, Our sluggers got home yesterday from Cleveland and are ready to try and take a fall out of Anson and his colts to-day. The home players are in good trim, and to-day's nine will be Miller in left; Corkhill in center, Smith in right, and Beckley, Bierbauer, Shugart and Farrell on the bases; Baldwin and Mack will be the battery, and Hutchin son and Schriver will likely be the Chicago

battery. Anson's team are in great form at present and quite a good game may be looked or.

Woodcock has joined the local team and will pitch a game this week. He is looking well and is anxious to have a try.

The local players speak highly of Jake Beckley as a captain, and so does Manager Buckenberger. Jake is considerably better informed about the game than many people think, and so far the team has been highly pleased with him. He is one or the most energetic players in the country, and as a captain is very quick to observe defects in team work and to make demands for all rights and privileges that the rules grant his side. And he is the most genial of fellows. Jake is confident of the team doing first-class work during the entire season.

REPERRING to the recent long game at Cincinnati, during which Tim Hurst "smashed" a spectator, Ren Muitord says: "During the last two innings it was impossible to see the figures on the score board, and Colonel Snooks carried a lighted lantern out for the use of the artist there. There were lanterns placed on each foul line, and the crowd howled for a caudle at the plate. That was not possible, but Snooks was rapturously applicated in the last half of the ninth when he setually interrupted play while Meskin was at bat and gave the rubber another coat of whitewash!"
